

A GLITTERING MIRACLE

**THE
ETERNAL
“TREASURES”**

OF
THE QURAN-TESTAMENT

FOR/WITHIN
THE LAST MILLENNIUM

THE ETERNAL "TREASURES!"

(17/100 = 10/57-58)

Here, we shall together witness the miraculous exact "number of occurrences" of all those --of metal, or metallic-- "Treasures" (=khazaaen) in the Quran-Testament, as they are thus Most-Wisely and Most-Adeptly mentioned and placed again by Almighty herein beforehand, and thereby have thus correspondingly been gathered together and perfectly been coded again under number "**19**," on both sides, by Him, herein.

Thus, the Omnipotent Almighty, by having superbly planned --even before the foundation of the world-- and thereafter, by generously bestowing upon us again herein now this excellently "glittering Miracle," using again those exactly same, simple and straightforward principles that are absolutely intrinsic and fundamental within His most singular and spectacular **19** code & system (please, certainly remember again The Quran-Testament 74/26-31 in this regard), which we have already together entirely and clearly witnessed in all of our previous documents, will finally also be reminding us again with these very critical and important Messages, in the end, herein, thus:

=====

100- Say: If you possessed these "**Treasures**" (=khazaaena) of **Mercy** of my Lord, you would have withheld them, for fear of spending them! Because the (disbelieving) human is thus very ungenerous/unappreciative!
(The Quran-Testament 17/100)

57- O the people, thus an Enlightenment has come to you now herein from your Lord, and a Healing for (the diseases) in your hearts, and thus a "**Guidance**" (=Hudan; this is a most specific term thus also primarily referring to His **19** coded, magnificent **Planning** herein, as a "**Commemoration/Dhekr**," and therefore also thus mainly as a "**Guidance**" (=Hudaa) again herein, in the first place; 39/23 = 74/26-31) and a **Mercy** for the believers.

58- Say: Then with this Gift of Al-lah, and His **Mercy**; essentially with these they (=those believers; 74/31) shall rejoice; because it will be much better than what they (=those disbelievers; 74/31) are hoarding --for themselves now!

(The Quran-Testament 10/57-58)

=====

So let us together clearly see and witness now all these “**Treasures**” (=khazaaen) in the Quran-Testament, as each of them has thus specifically been mentioned by Almighty --within these “Chapter/Verse” no’s-- in the entire Quran-Testament, herein, first of all, thus:

So now, let us together remember herein then those most critical and basic Verses again in the Quran-Testament, in which Almighty profoundly describes and thus unmistakably informs us about this miraculous **19** code & system, now also in this regard, thus:

=====

23- Al-lah has sent-down herein the nicest Utterance as a written-record, consisting of **similar** --those (of metal, or metallic) “Treasures”-- in **pairs/twoers** (=mutashaabehan mathaanea)!

** We shall see on the next pages in this regard all those heavenly “Treasures,” as they are thus Most-Adeptly mentioned by Almighty therein, in an exact and precise number of times, in the whole Quran-Testament, which thereby eventually shall give us in the end thus --with regard to their meaning, and also grammatical structures-- **similar** (=mutashaabehan) magnificent “7” **pairs/twoers** (=mathaanea) therein, thus:

the Silver/s (=al-Feddat)	&	the Gold/s (=al-Zahab)
the Equipment/s (=al-Mataa)	&	the Ornament/s (=al-Helyat)
the Egg-Pearl/s (=al-Bayd)	&	the Iron/the Irons (=al-Hadeed/al-Hedaad)
the Pearl/s (=al-Lulu)	&	the Diamond/s (=al-Yaquut)
the Copper/the Coppery (=al-Qetr/al-Qateraan)	&	the Adornment/s (=al-Zeenat)
the Treasure/s (=al-Khazaaen)	&	the Coral/s (=al-Marjaan)
the Decorement/s (=al-Zukhruf)	&	the Trove/the Troves (=al-Kanz/al-Kunuuz)

The skins of those who reverence their Lord cringe therefrom, then their skins and their hearts do soften to -this- **Commemoration** (=Dhekr) of Al-lah!

This is also the **Guidance** (=Hudaa) of Al-lah, He **guides** with it whomever He wants; but whomever Al-lah **makes-stray** (because of their own betrayal; 2/26-27), there will be no Guide for them -thereafter! (The Quran-Testament 39/23)

=====

=====

26- So (now) I will get him into **Uprooter!**

27- And what made you know what an **Uprooter!**

It does not **let-last**,

and It does not **let-stay**,

(thereafter, it presents)

Tables

for the humanity.

30- Upon it (there shall be) "**19!**"

** We shall see on the next pages in this regard those "defective" (because they are thus only "waste" herein on both sides) these 2 residual substances therein, as:

the Foam

&

the Scum

which will therefore thus together have to be immediately **excluded & discarded** therein, on both sides, by this heavenly **Uprooter** (=Saqara) system; but then it shall also definitely present to us those magnificent "7" pairs of major and pure heavenly "Treasures" therein, as we have seen previously, within perfect **Tables** (=Levvaahatun), as all of them perfectly coded under number "**19**" therein, on both sides again, just as it has thus again Wisely been pointed out in the above Verses, thereafter!

31- And We did not make the guardians of the Fire, except Angels; and We did not make their number (=19), except as a test for the disbelievers; thus

= the ones who were given the Scripture (=Jews & Christians & Arabs) herein may attain certainty, and the believers may augment belief,

= those who were given the Scripture (=Jews & Christians & Arabs), and the believers hereby shall not doubt,

= but the ones in whose hearts (there is) an illness, and the disbelievers herein shall say: **What is it that Al-lah -really- intended by this allegory** (the allegory that has already been cited in the above 26-30. Verses)? Al-lah thus **makes-stray** (=yudellu) with it whomever He wants (because of their own betrayal; 2/26), and **guides** (=yahdee) with it whomever He wants (because of their own loyalty and sincerity; 13/27). And none can know the armies of your Lord, except He; and it (=that **Uprooter** cited in the above 26-30. Verses) is not, except a **Commemorative** (=Dhekraa) for the humanity! (The Quran-Testament 74/26-31)

** We must have thus already solidly perceived the very close relation between these Verses (74/26-31) and that Verse (39/23) we have previously seen, through the very critical keywords herein such as **Commemorative** (=Dhekraa), **Commemoration** (=Dhekr), and then **guides** (=yahdee), and **makes-stray** (=yudellu) used and emphasized in both of these specific Verses, which Almighty thereby thus basically and exactly signals to us again this same Glittering “mathematical Planning” here, within the Quran-Testament! (please, certainly also see again The Q. Testament 39/23 = 74/26-31 in this regard.)
 =====

So after we have thus clearly seen and remembered again these most critical and basic Verses in the Quran-Testament, thus openly also in this regard now, we can thereafter together immediately witness herein this **19** coded excellent “glittering Miracle,” manifestly again, now thus:

	total number of occurrences	total number of occurrences	
the Silver/s (=al-Feddat)	2	2	the Gold/s (=al-Zahab)
Silver/s (=Feddat)	4	6	Gold/s (=Zahab)

19_{X...} **19**_{X...}

the Foam(=**al-Zabad**)**1****0****Foam**(=**Zabad**)**2****1****the Scum**(=**al-Jufaa**)**Scum**(=**Jufaa**)

** First of all, we should definitely notice herein that on our above Table, in the first section, we put that first pair (=al-Feddat & al-Zahab), as they are thus specifically mentioned together by our Lord herein, in the first place (3/14, 9/34), then in the second section, we put that first pair (=al-Lulu & al-Yaquut) --thus as the most sensible only option therein-- as both of them are thus specifically mentioned together with that (=al-Marjaan) by our Lord herein, in the first place (55/22, 55/58); after this, in the first section, we put that second pair (=al-Mataa & al-Helyat), as they are again thus specifically mentioned together by our Lord herein, in the first place (13/17), then in the second section, we put that second pair (=al-Qetr & al-Zeenat) --based on its meaning, and structure-- thus in a perfect parallel manner again with the above specific pair; after this, in the first section, we put that third pair (=al-Bayd & al-Hadeed) as the specific letters before the last ones are thus both (ya & ya) --in original Arabic, of course-- therein, then in the second section, we put that third pair (=al-Khazaaen & al-Marjaan) as the specific letters before the last ones are again thus both (alef & alef) --in original Arabic, of course-- therein. And we should also certainly notice herein that we have rightfully placed the more valuable, or precious, or numerous "Treasures" always on the right side, on our Table above.

** Secondly, we should also certainly know herein that we have rightfully included e.g. that (=al-Qateraan: the Coppery), or that (=al-Hadeed: the Iron) into our Table above, even as they may have thus been used in a negative context therein, in the Quran-Testament (14/50 & 22/21), because they obviously do not change their core and precious nature nowhere.

** Thirdly, we should also again certainly know herein that we have rightfully included e.g. that (=al-Zukhruf: the Decorement), or that (=al-Hadeed: the Iron) into our Table above, even as they may have thus been used in a figurative context therein, in the Quran-Testament (6/113 & 50/22), because they obviously do not change again their core and precious meaning nowhere.

** Last of all, we should also certainly know herein that, because these two Items have thus specifically been used within an exactly same manner and context (=baydun maknuun & luluun maknuun; 37/48-49 & 52/24), we have therefore rightfully included each of them as (=Egg-Pearls & Regular-Pearls) into our Table above.

So let us together also clearly see and witness now these related most critical and basic Verses in the Quran-Testament, in this respect, first of all, thus:

=====

17- ... and from (those Metals) which they use fire upon it (to refine them), thus requiring (to obtain) --here, thus also on the right side, on our Table above-- an **Ornament**, or --on the left side, on our Table above-- an **Equipment**, there shall be --under the Table therein-- a **Foam** likewise!

Thus Al-lah cites (these “allegories” here) about the Truth, and the Falsehood --therein! So the **Foam** will go away --on the left side-- as **Scum** --on the right side-- and those which benefit the people shall remain --here, thus also on our Table above again-- on the earth! Al-lah thus cites herein these “allegories!”

18- So for those who respond now to their Lord --by believing in Him, and working on His related **19** coded, magnificent **Plannings** above-- will receive the nicest-rewards; but those who do not respond to Him; even if they possessed all things on earth, and even twice as much, they would readily give it up as ransom! Because for them (because of their own betrayal and thus wickedness on earth; 2/26-27) will come the worst retribution, and their abode will be Hell; and what an ugly destiny!

19- So is the one who does recognize that, what has been sent down to you from your Lord now herein is the Truth, like the one who is blind? So only those who possess intelligence will take-**Commemoration** (=yataDhakkaru/**Dhekr**; this is again a most specific term in the Quran-Testament thus also primarily referring to His **19** coded, magnificent **Planning** herein, which has mainly and always thus most wonderfully been created by Almighty within perfect “twoers/pairs” (=zavjain) again --under these great “allegorical” descriptions again-- herein, in the first place; 74/26-31 = 39/23)!

20- These are the ones who thus fulfill their pledge to Al-lah herein, and they do not violate the Covenant (=the Covenant of Almighty, which has already thus clearly been announced by prophet Moses, Jesus, David, and Muhammad to their followers, that they would certainly recognize and fully support this most critical and important “Messenger/Message of Covenant” in this Last Day (=Millennium) herein; Torah, Deut. 18/18-19 & Gospel, John 6/40 = John 16/7-13 & Psalms 118/22-26 & Quran, Aale Imraan 81-82 = Ahzaab 7-8)!

(The Quran-Testament 13/17-20)

=====

And so lastly, let us together now also see and clearly witness these most critical and important Prophecies of these great Prophets, in this respect, now thus:

=====

18- The Lord said: An informer I will raise up for them from among their brothers, like you (Moses),

and I will put My **Words** in his mouth; and he will speak to them what I command him.

19- And it shall be: Any person who does not hearken to My **Words** which he will thus be speaking in My Name, I Myself will make him answer for it! (Torah, Deut. 18/18-19)

6- The Lord said: Then, I will grant safety now, sending out a Message unto him (=that "Messenger of Covenant," already foretold by prophet Moses above, who would thus also be a descendant of prophet David herein.)

7- So the **Words** of the Lord now are thus the **Words** that are pure; they are --on the left side, on our Table above-- "**Silver**" that is purified, --on the right side-- clear to the world, they are refined sevenfold! (please, certainly notice that there are exactly "seven" pairs of refined **Words** on our Table above!) (Psalms 12/6-7)

1- The Lord said: Here, I am sending My Messenger (=this is Rashad; please, certainly see "An Awesome Miracle 1; p. 11-12" in this regard) to prepare the Way before Me; And thereafter thus suddenly/unexpectedly, there will come to the Temple the Lord whom you seek, and that "Messenger of Covenant" (=that descendant of prophet David again) whom you desire. Yes, he is thus coming, says the LORD of hosts.

2- But who will endure the day of his coming? And who can stand when he appears? For he will be like the refiner's fire, or like the fuller's lye.

3- He will sit (before those **Words** of the Lord again, as it has already thus been emphasized in the above Verses within Torah, and then thus within Psalms)

refining,

and purifying!

And thus he will purify the sons of Levi; refining them --on the right side, on our Table above-- as that "**Gold**," and --on the left side-- as that "**Silver**," that they may thereafter thus offer due sacrifice to the Lord! (Malachi 3/1-3)

=====

44- Prophet Jesus said: No one can come to me unless the Lord who sent me draw him; and He will raise him (=that “Messenger of Covenant” again) on the Last --Third-- **Day** (=Millennium; please, see Psalms 90/4 in this regard)!

45- It is thus written in the Prophets: They (=that “Messenger of Covenant,” and all the believers with him) shall all be **taught** by God!

46- Then everyone who listens to my Lord and **learns** from Him -therein- shall also thus come to me. (Gospel, John 6/44-46)

13- But when he (=that “Messenger of Covenant” again) comes, with the Spirit of Truth, he will guide you to all Truth. He will not speak on his own, but he will speak what he hears, and will declare to you the things that are coming! (please, certainly also see now An Awesome Miracle 2; p. 17 & A Majestic Miracle; p. 1 in this regard)

14- And he will thus honor me, because he will also take from what is mine -herein- and declare it to you! (Gospel, John 16/13-14)

44 Prophet Jesus said: So the Kingdom of Heaven is --on the right side, on our Table above-- like a “**Treasure**” buried in a field, which a Person (=that “Messenger of Covenant” again) -first- finds and hides again, and out of joy goes and sells all that he has, and buys that field!

45- Again, the Kingdom of Heaven is like a Merchant (=that “Messenger of Covenant” again) searching for fine “Pearls.”

46- When he thus finds --on the left side, on our Table above-- a “**Pearl**” of great price, he goes and sells all that he has, and buys it! (Gospel, Matthew 13/44-46)

19- Prophet Jesus said: Then do not store up for yourselves “Treasures” on earth, where moth and decay destroys, and thieves break in and steal.

20- But store up --again, on our Table above-- “**Treasures**” in/for heaven, where moth --on the left side-- and decay --on the right side-- cannot destroy, and thieves cannot break in and steal! (Gospel, Matthew 6/19-20)

6- Prophet Jesus said: Then do not give --on the right side-- what is “**Holy**” to dogs, and do not throw --on the left side-- your “**Pearls**” before swine, lest they trample them underfoot, and turn and tear you to pieces! (Gospel, Matthew 7/6)

=====

1- Prophet Muhammad said: If just one Day remains from this world, Allah will definitely lengthen this Day; that He will send in this -Last- **Day** (=Millennium; please, see Hajj 47 in this regard) a Man (=that "Messenger of Covenant;" as it has already thus clearly been promised in the Quran, in the first place, Aale Imraan 81 = Ahzaab 7-8) from my House! (from Abu Davud)

2- Prophet Muhammad said: So the one who is present herein now must deliver (my Words) to the ones who are absent herein now.

Because the one who is present herein now may thus deliver (my Words) ultimately (=especially in that Last **Day** (=Millennium), at the time of coming of his descendant, that "Messenger of Covenant" again) to the ones who will perhaps be **more capable of understanding them** than him --herein now!

And prophet Muhammad thus added and emphasized in the end:

So have I thus delivered to you --for the left side herein-- this (commandment) now; so have I thus delivered to you --for the right side herein-- this (commandment) now? (from Bukhari)

1- One night prophet Muhammad got up and said: Glory be to Allah, for what has been sent down (regarding his descendant, that "Messenger/Message of Covenant" again) this night --on the right side, on our Table above-- from the "**Tests**," and for what has been opened --on the left side, on our Table above-- from the "**Treasures!**"

So wake up the occupants of -all- houses now, because one may be well dressed in this world, but may be left utterly naked in the hereafter --because he would not wake up and righteously work on this **19** coded great "**Tests**" and "**Treasures**" now! (from Bukhari)

2- Prophet Muhammad said: There are two-Gardens, that their utensils and contents are --on the left side, for those two-sections, on our Table above-- of "**Silver**," and there are two-Gardens, that their utensils and contents are --on the right side, for those two-sections, on our Table above-- of "**Gold!**" ... (from Bukhari)

3- Prophet Muhammad said to one of his followers: Shall I tell you a Word of "**Treasure**" (that will cause you to attain) the "Treasures" of Paradise (in the end)?

It is: There is thus --on the left side, on our above Table-- no **Might**, and --on the right side, on our above Table-- no **Power**, but with Allah!

(from Bukhari)

4- Prophet Muhammad said: Do not curse my "companions" (=thus also an ultimate reference again to his descendant, that "Messenger of Covenant," and all those who will believe in Allah, in this most critical and important Issue herein, with him in this Last Day), because even if one of you spent as much "Gold" as Mountain Uhud, he would again not reach --on the left side, on our Table above-- the "**measure**" of any of them, and --on the right side, on our Table above-- his "**weight!**"

(from Bukhari)

=====

So let Peace and eternal Serenity be again upon all those righteous believers (from among the Jews, Christians, Arabs, all Others) herein, who --after those hugely significant two fundamental miraculous "Awesome" holy Plannings, as we have manifestly witnessed them in our first two most critical documents-- will also hearken thereafter to this nineteenth highly critical and miraculous "Glittering" holy Planning herein, in this most anticipated Final Age, and so thereafter shall wholeheartedly sit and also work on this, and thus witness and personally verify this too, with their own ears and eyes and minds herein, for our own eternal Salvation and benefits in the sight of Almighty, forever! (please, certainly see again The Testament 39/23, 33-35 & 74/26-40 in this regard.)

Metin/Messenger of Covenant
