 **AL-LAH's Awesome Signature on "Fibonacci Sequence" =41:53**

« on: Yesterday at 10:45:56 PM »

Salaam to all brothers/sisters,

Here we shall witness an **Absolutely AWESOME Miracle**,
which has thus most Superbly and perfectly been created by **AL-LAH**,
from the very beginning --even from before the foundation of the World,--
unto/within this most Famous and essential "**Fibonacci Sequence**"
which has fascinated all Mathematicians and the most intelligent Minds
throughout the history.

The "**Fibonacci Sequence**" is the series of numbers:

0 1 1 2 3 5 8 13 21 34 ...

The next number is found by adding up the two numbers before it.

For example:

The "**2**" is found by adding the two numbers before it (**1 + 1**) above.
Similarly, the "**3**" is found by adding the two numbers before it (**1 + 2**) above.
And the "**5**" is (**2 + 3**),
and so on!

So, the next number in the sequence above must be: **21 + 34 = 55**

It is that simple.

(please, see it below)

=====
We will show them Our --"19" coded-- "**Signs**" (=74/26-30, 31)
in the horizons, and (also) within themselves,
until it becomes clear to them that this is absolutely **The Truth**.
Is it not enough that your LORD is Witness over all things?

(QURAN TESTAMENT **41/53**)

=====

So, this most Famous and essential

"the Fibonacci Sequence"

(=0 1 1 2 3 5 8 13 21 34)

in the history of all Mathematics above,
is clearly and unmistakably seen and witnessed
in the horizons (=i.e. in our Universe, Galaxy, Nature),
and also within ourselves (=i.e. in Human body),
as it is perfectly promised by AL-LAH in the above Verse,
now in this Final Age, clearly and openly, everywhere:

<http://www.pbslearningmedia.org/resource/nvmm-math-pifibonacci/pi-the-fibonacci-sequence/>

<https://www.youtube.com/watch?v=03uC9bhX0Rc>

<http://www.fullbooks.com/The-first-1001-Fibonacci-Numbers.html>

*these links above are thus referred to exclusively and only
thus to clearly see and witness
even up to the first thousand numbers of this most Famous and essential
"the Fibonacci Sequence" therein.

All other information and conclusions therein only belong to
the authors or owners of these Sites above.
When/if what they say are absolutely approved by QURAN TESTAMENT
they should be deemed absolutely Right,
when/if what they say are absolutely disapproved by QURAN TESTAMENT
they should be deemed absolutely Wrong,
by all truthful Believers here. (=QURAN TESTAMENT 6/114-117)

So here is AL-LAH's
-- "**19**" coded-- most Superb and perfect "**Signature**" (=74/26-30, 31)
on this most Famous and essential

"the Fibonacci Sequence"

(=0 1 1 2 3 5 8 13 21 34)

in the history of all Mathematics above,
in this absolutely **Most MIRACULOUS** perfect manner,
now here thus:

=====

"the Fibonacci Sequence"

"0" 1 1 2 3 5 8 13 21 34 55 89 144 233 377
610 987 1597 "2584" 4181 6765 10946 17711 28657
46368 75025 121393 196418 317811 514229 832040
1346269 2178309 3524578 5702887 9227465 "14930352"
24157817 39088169 63245986 102334155 165580141
267914296 433494437 701408733 1134903170 1836311903
2971215073 4807526976 7778742049 12586269025
20365011074 32951280099 53316291173 "86267571272"
139583862445

.....

=====

So when we count the numbers above,
starting from the very first one (= **"0"**),
we clearly and amazingly see that

exactly **19**th number above = **"2584"**

is perfectly a Multiple (= **19**x...) again therein!

and also the total sum of these first 19 numbers above:

"0" + 1 + 1 + 2 + 3 + 5 + 8 + 13 + 21 + 34 + 55 + 89 + 144 + 233
+ 377 + 610 + 987 + 1597 + "2584" =

is thus perfectly a Multiple (= **19**x...) again therein!

And then,
when we continue our counting above,
this time starting exactly from that very last one
in that first sequence above (= **"2584"**),
we clearly and amazingly see that

exactly **19**th number thereafter above = **"14930352"**

is perfectly a Multiple (= **19**x...) again therein!

and also the total sum of these second 19 numbers above:

"2584" + 4181 + 6765 + 10946 + 17711 + 28657 + 46368 + 75025
+ 121393 + 196418 + 317811 + 514229 + 832040 + 1346269
+ 2178309 + 3524578 + 5702887 + 9227465 + "14930352" =

is thus perfectly a Multiple (= **19**x...) again therein!

And then,
when we continue our counting above,
this time starting exactly from that very last one
in that second sequence above (= **"14930352"**),
we clearly and amazingly see that

exactly **19**th number thereafter above = **"86267571272"**

is perfectly a Multiple (= **19**x...) again therein!

and also the total sum of these third 19 numbers above:

"14930352" + 24157817 + 39088169 + 63245986
+ 102334155 + 165580141 + 267914296 + 433494437 + 701408733
+ 1134903170 + 1836311903 + 2971215073 + 4807526976
+ 7778742049 + 12586269025 + 20365011074 + 32951280099
+ 53316291173 + "86267571272" =

is thus perfectly a Multiple (= **19**x...) again therein!

And this absolutely **Most AWESOME and AMAZING** property
of/within this most Famous and essential "Fibonacci Sequence" above
may go **on** and **on** and **on**, in this same perfect manner above,
thus even to infinity,

by this most Wise and perfect Decree and Permission of AL-LAH
here, in the first place!

=====

18- And if you count AL-LAH's Blessings (=i.e. thus a most specific reference
also and especially to each and every of those **"19"** coded Fibonacci "Numbers"
above)--
you cannot possibly encompass them (=i.e. they may go **on** and **on** and **on**,
in this same perfect manner above, thus even to infinity therein)!

(For) certainly, AL-LAH is Best-Forgiver, Most-Merciful.

(54/49 = 74/26-30 = 41/53)

 **Re: AL-LAH's Awesome Signature on "Fibonacci Sequence" =41:53**
« Reply #1 on: Yesterday at 11:33:01 PM »

So now, we should also clearly and openly know that this same absolutely **Most AWESOME and AMAZING** property above is also valid for some other numbers, for example:

"11" (=every 11th number in this "[Fibonacci Sequence](#)" above is a multiple of "11" (=11x...)

or

"29" (=every 29th number in this "[Fibonacci Sequence](#)" above is a multiple of "29" (=29x...)

or

"31" (=every 31st number in this "[Fibonacci Sequence](#)" above is a multiple of "31" (=31x...)

etc.

So what makes this number **"19"** the **most Special, exclusive and chosen "Number,"** which is thus most Wisely and perfectly created by our Supreme LORD, unto this most Famous and essential "[Fibonacci Sequence](#)" above,

that would decisively and absolutely eliminate or/and supersede all those others above (= "11" or "29" or "31" etc.)

and clearly and unmistakably establish it

as the **"19"** coded, One and Only "Signature" of AL-LAH, unto this most Famous and essential "[Fibonacci Sequence](#)," in this respect above, from the very beginning?

Here it is:

=====

"the Fibonacci Sequence"

"0" 1 1 2 3 5 8 13 21 34 55 89 144 233 377

610 987 1597 "2584" 4181 6765 10946 17711 28657
 46368 75025 121393 196418 317811 514229 832040
 1346269 2178309 3524578 5702887 9227465 "14930352"
 24157817 39088169 63245986 102334155 165580141
 267914296 433494437 701408733 1134903170 1836311903
 2971215073 4807526976 7778742049 12586269025
 20365011074 32951280099 53316291173 "86267571272"
 139583862445

=====

So when we take that first 19th number above = "2584"
 and divide it just by the preceding one therein:

$$\text{"2584"} / 1597 = \underline{1.618033}81.....$$

And then,

when we take that second 19th number above = "14930352"
 and divide it just by the preceding one again therein:

$$\text{"14930352"} / 9227465 = \underline{1.618033}98.....$$

And then,

when we take that third 19th number above = "86267571272"
 and divide it just by the preceding one again therein:

$$\text{"86267571272"} / 53316291173 = \underline{1.618033}98.....$$

So now, we can clearly see that

this is our common/identical number: = 1.618033
 that is thus clearly witnessed above
 in all of those first three most specific instances
 above:

$$\underline{1.618033}81..... \& \underline{1.618033}98..... \& \underline{1.618033}98.....$$

--(and also in all of those following all such most specific instances thereafter,
 thus even to infinity,

by this most Wise and perfect Commandment and Permission of AL-LAH
 here again, in the first place (**16/18 = 74/26-30**)!

So we should absolutely note that

1. 6 1 8 0 3 3

this "common/identic number" above is thus our perfect "**Golden Ratio Number**,"

https://en.wikipedia.org/wiki/Golden_ratio

<http://www.maths.surrey.ac.uk/hosted-sites/R.Knott/Fibonacci/fib.html>

here in this respect above,
that is thus granted unto us by our Supreme LORD
in this most Wise and perfect Manner above, from the very beginning!
(**54/49 = 72/28 = 74/26-30**) (=41/53)

--continues in the next post--

 **Re: AL-LAH's Awesome Signature on "Fibonacci Sequence" =41:53**
« Reply #2 on: Today at 12:18:04 AM »

So, let us together continue on our Way,
now here thus:

=====

"the Fibonacci Sequence"

"0" 1 1 2 3 5 8 13 21 34 55 89 144 233 377
610 987 1597 "2584" 4181 6765 10946 17711 28657
46368 75025 121393 196418 317811 514229 832040
1346269 2178309 3524578 5702887 9227465 "14930352"
24157817 39088169 63245986 102334155 165580141
267914296 433494437 701408733 1134903170 1836311903
2971215073 4807526976 7778742049 12586269025

20365011074 32951280099 53316291173 "86267571272"

139583862445

.....

=====

So when we take that first **19**th number above = "**2584**"
and divide it just by the succeeding one therein:

$$\text{"2584"} / 4181 = \underline{0.6180339}63.....$$

And then,

when we take that second **19**th number above = "**14930352**"
and divide it just by the succeeding one again therein:

$$\text{"14930352"} / 24157817 = \underline{0.6180339}88.....$$

And then,

when we take that third **19**th number above = "**86267571272**"
and divide it just by the succeeding one again therein:

$$\text{"86267571272"} / 139583862445 = \underline{0.6180339}88.....$$

So now, we can clearly see that

this is our common/identic number: = **0.6180339**

that is clearly witnessed above

in all of those first three most specific instances

above:

$$\underline{0.6180339}63.... \& \underline{0.6180339}88.... \& \underline{0.6180339}88....$$

--(and also in all of those following all such most specific instances thereafter,
thus even to infinity,

by this most Wise and perfect Commandment and Permission of AL-LAH
here again, in the first place (**16/18 = 74/26-30**)!

So, we should absolutely note that

0.6180339

this "common/identic number" above

is thus our perfect "**Golden Ratio Conjugate Number**,"

https://en.wikipedia.org/wiki/Golden_ratio#Golden_ratio_conjugate

<http://www.maths.surrey.ac.uk/hosted-sites/R.Knott/Fibonacci/fib.html>

here in this respect above,
that is thus granted unto us by our Supreme LORD
in this most Wise and perfect Manner above, again from the very beginning!
(**54/49 = 72/28 = 74/26-30**) (=41/53)

--continues in the next post--

 **Re: AL-LAH's Awesome Signature on "Fibonacci Sequence" =41:53**
« Reply #3 on: Today at 01:36:07 AM »

So we have thus clearly witnessed that

this is the common/identic number: =**1.618033**
as our perfect "Golden Ratio Number" above,

--(*because we have clearly witnessed it
at each and every of those **"19"** coded most special **Numbers**
when we divide (each and every of) them just by the "preceding ones" therein
within that most Famous and essential "Fibonacci Sequence" above,
in the first place)--

And then,

this is the common/identic number: =**0.6180339**
as our perfect "Golden Ratio Conjugate Number" above,

--(because we have clearly witnessed it
at each and every of those **"19"** coded most special **Numbers**
when we divide (each and every of) them just by the "succeeding ones" therein
within that most Famous and essential "Fibonacci Sequence" above,
in the first place)--

So let us clearly see them
in this absolutely **"Most AMAZING"** & **"Most WONDROUS"** perfect order,
now here thus:

All PRAISE

is to

All PRAISE

is to

AL-LAH AL-LAH

our common/identic
"Golden Ratio Conjugate Number"
 above

our common/identic
"Golden Ratio Number"
 above

number of digits
 $\begin{array}{ccccccc} & 1 & 1 & 1 & 1 & 1 & 1 \\ 0. & 6 & 1 & 8 & 0 & 3 & 3 & 9 \end{array}$

number of digits
 $\begin{array}{ccccccc} & 1 & 1 & 1 & 1 & 1 & 1 \\ 1. & 6 & 1 & 8 & 0 & 3 & 3 \end{array}$

$1 + 1 + 1 + 1 + 1 + 1 + 1$

$1 + 1 + 1 + 1 + 1 + 1$

7 _____ 6

= **19** x...

$6 + 1 + 8 + 0 + 3 + 3 + 9$

$6 + 1 + 8 + 0 + 3 + 3$

30 _____ 21

= **19** x...

Thereby, we can now most clearly and unmistakably see that

in the history of all Mathematics,
 this most Famous and essential "Fibonacci Sequence,"
 and the related "Golden Ratio" and "Golden Ratio Conjugate" numbers
 therein above

have thus most Superbly and perfectly been created by AL-LAH
 from the very beginning --(even from before the foundation of the World),

with HIS "**19**" coded, most Awesome and perfect "Signature" on them

(54/49 = 72/28 = 74/26-30),
as we have most clearly and unmistakably witnessed it above, in this Final Age now!

And this most Famous and essential "**Fibonacci Sequence**,"
and the related "**Golden Ratio**" and "**Golden Ratio Conjugate**" numbers above
have thus most Powerfully and clearly been implemented,

--(thus essentially, always as/in perfect "pairs" here again:

=====

30- Upon it is **"19"**!

31- And it is but a "**Commemoration**" (= "**Dhikra**") for the humanity!

49- And from all things We have created as/in **"pairs"**

that you may "**take-Commemoration**" (= "**taDhakkaroona**") --(in that

"19" coded most specific Manner, as clearly emphasized in the above Verse,
in the first place!)

(QURAN TESTAMENT **74/30-31 = 51/49**)

=====

unto whole Universe, and the Galaxies, and the Nature, and all living-beings and
living-things therein,

<http://www.pbslearningmedia.org/resource/nvmm-math-pifibonacci/pi-the-fibonacci-sequence/>

<https://www.youtube.com/watch?v=03uC9bhX0Rc>

by our One and Only Lord AL-LAH, from the very beginning!

(51/49 = 41/53 = 74/26-30)

*Please, absolutely note that
this long awaited and anticipated Messiah and Mahdee descendant of
prophet David and prophet Muhammad (Peace be upon both of Them),
i.e. this most critical and important "**Messenger/MESSAGE of the Covenant**" here,
in this Final Age, thus clearly and unmistakably proves to/for all Humanity now,

that there is **absolutely and only "One Real GOD"** (=AL-LAH)

Who is the **Perfect CREATOR** of this

"Fibonacci Sequence and Golden Ratios," from the very beginning above.

So all those attempts --(internet is booming with such videos and information)--
which try to attribute this most specific "**Fibonacci Sequence and Golden Ratios**,"

--(without any credible Proof with them therein at all)-- to their false religions and imaginary false gods --(which are fabricated based on their own wishful thinking and their consequent (deliberate or ignorant) misinterpretation of the Scriptures), or merely to the natural laws and causes --(as atheist/agnostic philosophies are trying to do that),

so, their such (dajjalistic or/and atheistic) conclusions --(you can see a few of them in the links referred to below) are totally deprived of Reason and Proof and absolutely in VAIN.

<https://www.youtube.com/watch?v=0hvD5kLqjuw>
<https://www.youtube.com/watch?v=8Vajq-UK2aE>
<https://www.youtube.com/watch?v=4oyyXC5IzEE>

.....
.....
.....

Because there is **absolutely and only "One Real GOD"** (=AL-LAH)
Who most Superbly and perfectly Designed and most Powerfully and perfectly Created

all Universe
--(by HIS "Cosmic Evolutionary Creation" Miracle),
and all Living-beings therein
--(by HIS "Biological Evolutionary Creation" Miracle),
(=QURAN TESTAMENT **21/30** & **71/13-18** &)

based upon HIS Perfect "Fibonacci Sequence and Golden Ratio," from the very beginning,
as it is **clearly and unmistakably proven to/for all Humanity** above,
and also here:

http://www.19covenant19.com/mucize_detay_id135.html

http://www.19covenant19.com/mucize_detay_id136.html

for all those who will wholeheartedly repent and return to **AL-LAH**,
in this most Rightful beautiful and peaceful manner (=QURAN TESTAMENT **25/70-71** & **25/63-76**), in this Final Age now!

Remain in peace/salaam.
