

AN AMAZING MIRACLE

THE COUNT OF

“DAYS”

&

“MONTHS”

IN

THE QURAN-TESTAMENT

FOR/WITHIN

THE LAST MILLENNIUM

THE MOST PRECISE HEAVENLY CALCULATIONS!

(78/27-29)

Here, first of all, we shall together witness the miraculous total “frequency of occurrences” of each of these specific words (=Day, Days & Month, Months) thus within a parallel approach in the Quran-Testament, briefly and precisely, and then we shall also again thus try to clearly perceive and solidly comprehend thereafter the heavenly Wisdom and divine implications behind these Amazingly miraculous most precise Calculations now, in this most critical Final Age, in our fourth critical document herein.

So let us together see, first of all, these essentially significant related declarations of Almighty beforehand herein, and thereafter immediately go into our following main Subject, on the next page.

=====

8- ...And every wanted-thing in the sight of Him is with a --precise-- **measurement** (=meqdaaren)! (The Testament 13/8)

12- ...And every wanted-thing, We have thus --precisely-- **counted** it (=ahsaynahu) in a clear record! (The Testament 36/12)

27- But they became not expecting any **calculation** (=hesaabab),

28- And thus they rejected now Our “Signs” with an utter rejection!

29- But every wanted-thing, We have thus --precisely-- **counted** it (=ahsaynahu) (as/within) a Written-Document (=Ketaaban)! (The Testament 78/27-29)

=====

So our first specific word (=yavm: **day**) herein, is uttered in the Quran-Testament exactly “365” times, which thus indicates to us in the end a total **1 year!**

Here is the list of the Verses, in which Almighty thus masterfully uses this specific word:

So after this, the plural forms of our first specific word above this time herein as (=ayyaam/yavmayn: days/twodays) are thus uttered in the Quran-Testament exactly "30" times, which thus together indicates to us in the end a total 1 month! Here is the list of the Verses, in which Almighty thus masterfully uses these specific words:

al-ayyaam: the days

3/140

69/24

ayyaam: days

2/80

2/184

2/184

2/185

69/7

al-yavmayn: the twodays

yavmayn: twodays

2/203

41/9

41/12

** We should definitely thus see herein that: within the count of our that first specific word (=yavm: day) above, Almighty must have thus rightfully chosen and appointed therein the number "365" for that, instead of "366" (=only once in every four year); and then within the count of the plural forms of our this first specific word (=ayyaam/yavmayn: days/twodays), Almighty must have thus again rightfully chosen and appointed therein the number "30" for this, instead of "31" (=because if we get the average of "365/12 = 30.4" thus it comes out closer to 30 than 31).

** And then we should also definitely know herein that: because Almighty has never specifically used the concept of a "week" in His Word, thus it must have fully been rightful for Him again to include (=yavmayn: twodays) together with the count of (=ayyaam: days) thus in His second miraculous most precise heavenly planning above.

And then, our second specific word (=shahr: month) herein, is uttered in the Quran-Testament exactly “12” times, which thus indicates to us in the end a total 1 year! Here is the list of the Verses, in which Almighty thus masterfully uses this specific word:

al-shahr: the month

2/185
2/194
2/194
2/217
5/2
5/97

shahr: month

2/185
9/36
34/12
34/12
46/15
97/3

So after this, the plural forms of our second specific word above this time herein as (=shuhuur/shahrayn: months/twomonths) are thus uttered in the Quran-Testament exactly “3” times, which thus together indicates to us in the end a total 1 season! Here is the list of the Verses, in which Almighty thus masterfully uses these specific words:

al-shuhuur: the months

9/36

shuhuur: months

al-shahrayn: the twomonths

shahrayn: twomonths

4/92
58/4

** We should also certainly know herein that there are two different “plural forms” in the Quran-Testament for this specific word (=shahr); one is (=ashhur), the other is (=shuhuur). We should specifically and rightfully prefer the second one herein, because it is more congruous with that plural form of (=yavm), that is (=ayyaam) before this --because one is thus specifically accentuated in the end with a “vav,” the other with an “alef” by Almighty herein now equally: (al-ayyaam = al-shuhuur)--

So if we see again attentively all of these most precise and congruous heavenly plannings, all together, herein thus:

	total number of occurrences:		total number of occurrences:
al-yavm: the day	74	al-shahr: the month	6
yavm: day	291	shahr: month	6
	—————		—————
	“365” = 1 year		“12” = 1 year
	total number of occurrences:		total number of occurrences:
al-ayyaam: the days	2	al-shuhuur: the months	1
ayyaam: days	25	shuhuur: months	0
yavmayn: twodays	3	shahrayn: twomonths	2
	—————		—————
	“30” = 1 month		“3” = 1 season

** We should also definitely know herein that we have thus followed again exactly the same, steady, simple and straightforward heavenly counting principle herein, like we have also done before in the counting of that our hugely miraculous 2 pairs of golden Words, within that of our first and foremost critical document. Thus we have only counted each of these related specific Words herein again only in their basic & pure forms, with or without a definite article; we have again never counted any other forms (with a pronoun, or a determiner attached unto it etc.) herein also. (please, certainly see again The Testament 4/82 & 18/1 & 39/28 in this regard.)

And as we have already thus clearly witnessed above --most especially within the count of that most specific word (**yavm: day = "365"**) therein-- this great heavenly planning is also obviously in stark contradiction now with that Quranic commandment unto prophet Muhammad, in which he and his main nation/ummah (=Sons of Ishmael: Saudi Arabs; Baqarah 127-129 & Shuuraa 7) was thus commanded by Almighty therein to strictly follow the Lunar Calendar (consists of only "**354**" days) therein! (please, see the Quran, Yunus 5, and then also the reliable historical sources in this regard.) So therefore, this Amazing heavenly planning (**yavm: day = "365"**) herein now thus will also serve, in this most critical Final Age, thus as another very solid and clear proof from Almighty herein that He has already prepared that Quran --even from before the foundation of the world-- also specifically for this mathematically thus accurate and contemporary "Message/Messenger of Covenant" now, (after it is thus authentically modified, and rightfully dictated by Almighty herein unto His "Messenger of Covenant" now; 98/2-3) thus as this Quran-Testament (=its original Arabic: **Al-Khabaru**) text herein, in this Final Age, as we have manifestly witnessed it in our first two most critical, and then our last two very critical basic documents herein.

So in this regard, we should definitely remember again these miraculous prophecies of these great Prophets in full support of this long awaited "Messenger/Message of Covenant" now, also in this regard:

=====

1- Prophet Muhammad said: If just one Day remains from this world, Allah will definitely **lengthen** this Day; that He will send in this -Last- **Day** (=Millennium; please, see Hajj 47 in this regard) a Man (=that "Messenger of Covenant," as also firmly thus been promised in that Quran; Aale Imraan 81 = Ahzaab 7-8) from my House.

His name shall fit with my **name** (=Muhammad; Fath 29), and his father's name shall fit with my father's **name** (=Abraham; Hajj 78);

and he will fill the earth --on the left side-- with **equity** (=qistan), and --on the right side-- with **justice** (=adlan), though it was filled with rudeness and oppression -before!

(from Abu Davud)

** Previously, we have clearly witnessed that prophet Jesus also foretold that the Son of Man (=this "Messenger of Covenant" again) would be sent by Almighty within the very Last -Third- **Day** (=Millennium; please, see again Psalms 90/4, and then Gospel, Jhn. 6/27, 40 in this regard);

So we can clearly see also from herein that all these major Prophets (especially, Noah and Abraham and Moses and Jesus and Muhammad) all must have thus known well about this “Messenger of Covenant” beforehand, and thereafter thus they all together already believed and fully supported him thus with their miraculous and decisive many prophecies, as expected from all of them by Almighty, even from before the foundation of the world. (Please, especially see again the Quran, Aale Imraan 81 = Ahzaab 7-8 in this regard.) (*And please, certainly see later the “Words of Patriarchs & Moses & Jesus & David & Muhammad” documents, to witness all of these miraculous prophecies in their entirety.)

And then we should especially notice herein that in his above prophecy, by strongly indicating the **lengthening** (=latavvalahu) of this last Day (=Millennium) by Almighty, prophet Muhammad must have thus wisely pointed out also to this miraculous fact now that this “Messenger of Covenant” would thus (**yavm: day = “365”**) follow the Solar Calendar, instead of Lunar Calendar, in this last Age by Almighty’s command (please, also see The Testament 17/12 in this regard now); and when he does so, this last Day (=Millennium) will have thus automatically be **lengthened** (=latavvalahu) by Almighty at least 1000 X 11 days, from that moment onwards!

And we should go herein to The Testament and see 48/29 therein, to be able to clearly perceive how this “Messenger of Covenant” shall also bear the name **Muhammad** (=Praised Servant of Almighty) as he also was prophesied in Torah and Gospel before, under/with this specific attribute, and then we should go to 22/78 & 29/27 therein, to be able to solidly witness how this “Messenger of Covenant” shall also have Abraham as his father, just as prophet Muhammad thus emphasized again in the second part of his above prophecy.

And finally, prophet Muhammad again must be pointing out to the double (left & right) sided property of that heavenly **19** code & system, with which Almighty would thus definitely **Yahdee** (=Guide) this Man, **Mahdee** (=Guided Servant of Almighty) (please, certainly see again the Quran, Aale Imraan 81 = Ahzaab 7-8 & and then especially also Naml 93 = Muddaththir 26-**31** now, in this regard) and thereupon, so that he would thus be able to fill the earth --on the left side-- with **equity** (=qistan), and --on the right side-- with **justice** (=adlan) also and especially by this means, and/or in this sense herein! (Please, go to The Testament 6/115 & 7/29 to clearly see the close association of these specific words (=qistan & adlan) with that **19** coded authentic “mathematical planning,” and so especially with all those **19** coded hugely miraculous golden Words and Letters now, as we have witnessed them thus been firmly established by Almighty always within/for both sides therein, in our first two most critical documents herein.)

=====

=====

2- Prophet Muhammad said: A Man (=that “Messenger of Covenant” again) shall come out from his (Prophet’s grandson) progeny; he shall be named with the name of your Prophet (=Muhammad; Fath 29); and he shall resemble him with regard to the **text/attitude** (=khuluqe) but he shall not resemble him with regard to the **style/creation** (=khalqe)! ... (from Abu Davud)

** We should firstly see and clearly perceive here that the Quran (=al-Quran) itself was described as a great **text** (=khuluqe) that prophet Muhammad was adamantly -following- on it. (please, see the Quran, Qalam 4) So we should go to the Quran-Testament (=its Arabic original: al-Khabaru document) herein and see the basic resemblance between these two **texts**, first of all, in this regard.

And we should definitely see herein that prophet Muhammad does not say that this Man (=that “Messenger of Covenant”) will be exactly same as him in this regard, but he does say that he will just fairly resemble (=yushbehuhu) him in this regard. So the heavenly **text** dictated and thus perfectly taught to this Man (=that “Messenger of Covenant”) by Almighty now (please, see again The Testament 98/2-3 in this regard) may also have some critical differences from that old Quranic **text**. (for example: Tawbah 128-129 numbers and statements would not be included here now; the initial “Nun” would be written as “Nun Vav Nun” here now, etc.)

And secondly, prophet Muhammad emphasizes that this Man (=that “Messenger of Covenant”) thereafter shall not resemble him that much with regard to **style** (=khalqe) at all, most probably because he will have thus come with a visual --testable and solid-- “**mathematical** composition” **style** in this text thereafter from Almighty, in this Age, whereas prophet Muhammad had come with only an auditory “**literary** composition” **style** from Him, in those Ages. (Please, also see and compare the Quran-Testament 36/69 now, with the Quran, YaaSeen 69 then, in this regard.)

Then we should also see and clearly perceive here that the Quran (=al-Quran) itself was thus also described as a great **attitude** (=khuluqe) that prophet Muhammad was adamantly -acting- on it. (please, see again the Quran, Qalam 4 in this sense.) So we should go to the Quran-Testament (=its Arabic original: al-Khabaru document) herein and see the basic resemblance between these two **attitudes**, first of all. (Please, especially see The Testament 3/84-85 & 5/44-48 to clearly witness the basic resemblance of **attitude** with regard to the most critical and fundamental Issues such as these therein, in the first place.)

And secondly, prophet Muhammad thus again also emphasizes that this Man (=that “Messenger of Covenant”) thereafter shall not resemble him that much with regard to **creation** (=khalqe) again at all, most probably because he will also follow some mainly different **creations** (=thus “created” and chosen **Commandments** by Almighty; 28/68 = 33/36) among his immediate followers that would be more appropriate for these nations in this Age, but will also continue to respect all those **creations** (=thus “created” and chosen **Commandments** by Almighty; Qasas 68 = Ahzaab 36) unto prophet Muhammad and unto all those previous major Prophets in their Scriptures, for their respective nations. (Please, also especially see and compare the Quran-Testament 2/183-185 & 2/282 & 4/34 & 5/68 & ... now, with the Quran, Baqarah 183-185 & Baqarah 282 & Nesaa 34 & Maaedah 68 & ... then, in this regard.)

22- David prophesied: The Stone (=must be a reference to that Quran, which would be given to prophet Muhammad in the line of Ishmael, as thus had certainly been promised by Almighty in Torah, as prophet David also was well aware of that, Gns. 21/13-18 beforehand) despised by the builders (=Jews --and then also Christians) has become the **Cornerstone** now!

23- This has been emanated from HE; and it is miraculous in our eyes!

24- This is the **Day** (=Millennium; please, see Psalms 90/4 in this regard) HE has made; let us rejoice and be glad in it.

25- So please, O HE, --on the left side-- grant **salvation**; please, O HE, --on the right side-- grant **good-fortune**!

26- So blessed is he (=that "Messenger of Covenant" again, foretold before this basically by prophet Moses also in those critical Verses, who would thus be sent in the Last Days; Deut. 18/18-19 X 31/29-30; who would thus also mainly be the descendant of prophet David herein) who comes under the Name of HE --on that to be renewed "**Cornerstone**" Scripture referred to above-- we (=all those major Prophets, and prophet David) bless you from the house of HE! (Psalms 118/22-26)

7- David prophesied: my Lord, You do not desire feast-offering or meal-offering --from me, but ears You opened for me (=through his descendant, that "Messenger of Covenant" again, in future); You also do not request burnt-offering or sin-offering --from me.

8- Behold, then I have come with the Scroll of the Book (=again that to be renewed **Cornerstone** Scripture, referred to above) that is already written for me (=through his descendant, that "Messenger of Covenant" again, in future)!

9- Thus I desire to fulfill now --on the left side-- Your **Will**, my God; and --on the right side-- Your **Order** will be thus in my heart! (Psalms 40/7-9)

=====

=====

40- Prophet Jesus said: For this is the will of my Lord, that everyone who sees the Servant (=that "Messenger of Covenant" again) and believes in him may have eternal life; and He shall raise him on the Last -Third- **Day** (=Millennium; please, see again Psalms 90/4 in this regard.) (Gospel, Jhn. 6/40 & Lk. 18/33)

44- Prophet Jesus said: No one can come to me unless the Lord who sent me draw him; and He will raise him (=that "Son of Man" again) on the Last -Third- **Day** (=Millennium)!

45- It is thus written in the Prophets: They (=that "Son of Man" again, and all the believers with him) shall all be **taught** by God!

46- Then everyone who listens to my Lord and **learns** from Him shall also come to me. (Gospel, Jhn. 6/44-46)

42- Prophet Jesus said: Did you never read in the Scriptures: "The Stone (=must be a reference again to that Quran, which would be given to prophet Muhammad in the line of Ishmael, as thus had certainly been promised by Almighty in Torah, as prophet Jesus was also well aware of that herein, Gns. 21/13-18 beforehand) despised by the builders (=Jews --and then also Christians) has become the **Cornerstone** now!

This has been emanated from HE; and it is miraculous in our eyes!"

43- Therefore, I say to you, the kingdom of God will be taken away from you (=those despising Jews, and then those despising Christians as well; Jhn. 6/27 XX Lk. 6/22-23 & Mthw. 7/21-23) and given to a **people** (=including those respecting Jews & Christians & Arabs & Others herein) --within that Last and Third Day (=Millennium), as already thus been emphasized above-- who will produce its **fruits** (=19 coded, specific **Words**; please, certainly see Lk. 8/11-15, and thereafter certainly the Quran-Testament 2/25-26 & 14/24-25 now, in this regard) --on that to be renewed "**Cornerstone**" Scripture, as again already thus been emphasized above! (Gospel, Mthw. 21/42-43)

=====

So let Peace and eternal Serenity be again upon all those righteous believers herein, who --after those immensely significant two fundamental “Awesome” heavenly Messages, as we have manifestly witnessed them in our first two critical documents-- shall also hearken thereafter to this fourth critical “Amazing” heavenly Message herein, in this most anticipated Final Age, and so thereafter would wholeheartedly sit and also work on this, and thus witness and personally verify this too, with their own ears and eyes and minds herein, for their own eternal Salvation and benefits in the sight of Almighty, forever! (please, certainly see again The Testament 39/23, 33-35 & 78/29-36 in this regard.)
