

AN EXCEPTIONAL MIRACLE

**EVEN & ODD
NUMBERS**

OF

THE QURAN-TESTAMENT

WITHIN/FOR

THE LAST MILLENNIUM

BY THE EVEN, AND THE ODD!

(89/3)

Here, we shall together witness the miraculous **19** code & system this time within the **Even** (=alshafi), and the **Odd** (=alvatre) numbers in the Quran-Testament herein, briefly and precisely, in this third document.

These will actually and basically be related with all of those **numbers** of the Chapters, and then all of those total **numbers** of the Verses therein, in the Quran-Testament.

After having together already witnessed those hugely miraculous 2 pairs of golden Words, and then those hugely miraculous 7 pairs of golden Letters manifestly, within our first two critical documents, we shall see here how Almighty is again working Wonders by creating pairs (this time with **Even** and **Odd** numbers) herein, and then precisely coding them with number **19**, on both sides, again! (please, remember 74/26-30 in this regard.)

And before going into our main Subject herein, we should certainly know and bear in mind herein beforehand, how Almighty has already coded the total number of the Chapters and the Verses overall in the Quran-Testament miraculously, thus:

** There are in total 114 (=19x...) Chapters in the Quran-Testament,

** There are --including those 112 unnumbered "opening statements" (=bism ...)-- in total 6346 (=19x...) Verses in the Quran-Testament;

** There are --including those unnumbered "opening statements" (=bism ...) therein-- in total 266 (=19x...) Verses in those 6 Chapters whose numbers are multiple of 19, (=Chapter 19 & 38 & 57 & 76 & 95 & 114)

** So there are --including those unnumbered "opening statements" (=bism ...) therein-- in total 6080 (=19x...) Verses in those remaining 108 Chapters again, in the Quran-Testament.

After thus knowing these basic miraculous facts, we may now perhaps appreciate even more deeply those further precise "mathematical plannings" of Almighty this time within those **Even** and **Odd** numbers, regarding the numbers of Chapters and the total numbers of Verses therein, in the Quran-Testament, this time in this respect, under number **19** again, as we shall clearly witness next!

CODE “**19**,”
 WITHIN THE **EVEN**, AND THE **ODD** NUMBERS!

=====

- 1- By the dawn.
- 2- And the ten nights.
- 3- By the **Even** (=alshafi), and the **Odd** (=alvatre)!
- 4- And the night, when it passes.
- 5- Is there not in these (phenomena & numbers) an “**Oath**,” for those who possess intelligence! (The Testament 89/1-5)

=====

=====

- 26- So (now) I will get him into **Uprooter**.
- 27- And what made you know what an **Uprooter**!

It does not let-last ,	and It does not let-stay ,
-------------------------------	-----------------------------------

(thereafter, it presents)

Tables

for the humanity.

- 30- Upon it (there shall be) “**19**!”

(The Testament 74/26-30)

=====

First of all, we must notice herein that this singular number “**19**” is also basically made up of two major numbers:

an **Even** number: “**10**”

an **Odd** number: “**9**”

And in the Quran-Testament, this most special singular number is already written and hence originally and specifically referred to as “**Nine-Ten**” (=tisata-ashara) therein! (74/30)

And so after also remembering now this related most critical other Verse, in this respect:

=====

23- The Authority has sent-down -herein- the nicest Utterance as a written-record, consisting of **similar** --Numbers-- in **pairs/twoers** (=mutashaabehan mathaanea)! The skins of those who reverence their Lord cringe therefrom, then their skins and their hearts do soften to -this- **Commemoration** (=Dhekr) of The Authority!

(please, remember that this “Uprooter” (=Saqara) system, upon which there would be “**19**” is already also called a **Commemorative** (=Dhekraa) by Almighty in the above Verses (74/26-31), and then Almighty emphasized therein too that He would **guide** (=yahdee) with it, whoever wants it, and **makes-stray** (=yudellu) with it, whoever wants it, thereafter also! So we should thus clearly see the very close relation between these two most critical Verses (74/26-31 = 39/23) in the Quran-Testament in this respect, and that Almighty is thus referring us to the same **19** coded exceptional “mathematical planning” in the end, in both of these Verses!)

This is also the **Guidance** (=Hudaa) of The Authority, He **guides** (=yahdee) with it whomever He wants; but whomever The Authority **makes-stray** (=yudellu), there can be no **Guide** for him -thereafter! (The Testament 39/23)

=====

We should now thereupon immediately and clearly see, first of all, that in the Quran-Testament there shall, of course, be basically 57 **Even** numbered Chapters, and 57 **Odd** numbered Chapters thereafter, in the first place, and then they will also come in **twoers/pairs** (=mathaanea) herein, thus:

And so after this, we should certainly and immediately notice that within those **19**x3 **Even** numbered Chapters --on the left side-- above, we shall thereafter precisely find

10x3 **Even** numbered total Verses, (*see that because "**10**" is an **Even** number herein)

9x3 **Odd** numbered total Verses, (*see that because "**9**" is an **Odd** number herein)

within them in the Quran-Testament thereafter thus:

And so after this, we should again certainly and immediately notice that within those **19x3 Odd** numbered Chapters --on the right side-- above, we shall thereafter again precisely find

10x3 Even numbered total Verses, (*see that because "**10**" is an **Even** number herein)

9x3 Odd numbered total Verses, (*see that because "**9**" is an **Odd** number herein)

within them in the Quran-Testament thereafter thus:

(*Please, remember herein that all of those hugely wondrous “mathematical plannings” we have witnessed in our first two critical documents (=Awesome Miracle 1 & 2) and herein in this third document are specifically and solely meant by Almighty for this Quran-Testament (=its Arabic original: **Al-Khabaru**) text in this Final Age, through that “Messenger of Covenant” now. (Please, also certainly see again The Testament 98/2-3 in this regard.)

Hence, Chapter 9 rightfully consists of 127 Verses in this “mathematically miraculous” original Heavenly text herein, as we have seen above; whereas Surah Tawbah rightfully consisted of 129 Verses in that “literarily miraculous” Quranic text in that Age. We have already seen how all those great Prophets, and especially prophet Muhammad in this regard firmly mentioned and prophesied, and thereafter fully supported this miraculous “Messenger/Message of Covenant” herein now also in this respect, in that first critical document.)

So now we shall see herein all these **Even** and **Odd** numbered Chapters, together with their total Verses within them --on the left side, and on the right side-- all together, and then will see what comes out in the very end, from this ultimately precise Heavenly arrangement herein:

2 <u>286</u> 6 <u>165</u>	3 <u>200</u> 1 <u>7</u>

98 <u>8</u>	85 <u>22</u>
112 <u>4</u>	99 <u>8</u>
114 <u>6</u>	109 <u>6</u>

And we should certainly remember herein that we were always definitely --on the left side-- to exclude, and --on the right side-- to eliminate by Almighty's will (please, also certainly see The Testament 2/106 in this regard now) those "defective forms" within those 2 pairs of our golden Words first, and then also 7 pairs of our golden Letters then, because this was an intrinsic and fundamental property of that authentic **19** code & system, as we have thus clearly witnessed also herein again, in our second page. (Please, especially certainly recall that heavenly "**Uprooter**" characteristics within 74/26-31 in this regard.)

So in our above case, we again also are --on the left side-- rightfully to exclude, and --on the right side-- rightfully to eliminate then by Almighty’s will again those 3 & 3 “defective forms” (because they are on both sides are thus cut short by Almighty, and so lacking their remaining essential parts therein) immediately after those of our 27 & 27 perfect **Even** and **Odd** numbers, above.

And in our above Table, we should thereafter also definitely notice that we are following the regular numerical order in the Quran-Testament, regarding the Chapter No’s therein; but only when we come to 26th row, we specifically skip on both sides

98 8

85 22

into the “defective forms” area, and regularly continuing thereafter with the next Chapter No’s in line therein, on both sides, that are:

102 8

89 30

putting now these Chapter --together with their total Verses, of course-- No’s into their places, and then thereafter continuing regularly thus to the end. And we should also certainly notice herein that this Chapter **89** on the right side above is the very Chapter in which Almighty specifically informs us about this exceptional **Even & Odd** number based “mathematical planning” herein! (**89/3**)

So if we really are thus on an equal, just and legitimate heavenly procedure herein thus on both sides, in this very specific case, has Almighty ever mentioned then in His Word such a thing for/within His exceptional “mathematical planning” herein?

=====

101- And when We changed a “**Sign**” (=aayatan; “89 30” in this case) into place of another “**Sign**” (=aayaten; “85 22” in this case), and The Authority knows best what He is thus sending down, they said: You are only a fabricator! No, majority of them do not know!

102- Say: The Holy Spirit has thus brought it down from your Lord as the truth, that He shall strenghten the ones who have believed, and as a **Guidance** (please, certainly remember that this “similar --Numbers-- in twoers/pairs” system is already called a **Guidance** by Almighty, upon which there would be number **19** then! $39/23 = 74/26-31$) and as a good news for the surrenderers (to Him)! (The Testament 16/101-102)

=====

And we should definitely know herein that, even if we did not follow any “changing a **Sign** into place of another **Sign**” heavenly procedure (16/101) within the left side on our Table above, normally we would still get a positive result (=a number that is multiple of 19) therein, in the end. But of course, when we had to follow this heavenly exceptional procedure within the right side on our Table above, at/for that most specific Chapter **89** therein, then it was absolutely necessary to follow the same procedure at the left side also, at the same row, exactly in the same way, in order thus to get an equal, just and legitimate confirmation from Almighty for/within this very specific case.

So when we skipped these “**Signs**” at the 26th row, on each side, on our Table above,

98 8

85 22

the next “**Signs**” following in line to put into their places therein were equally (+4) Chapter No’s, on both sides:

(+4)

(+4)

102 8

89 30

And then thereafter when we brought down those omitted “**Signs**,” on each side, into their regular 28th row --within the “defective forms” area, of course-- the next “**Signs**” following in line therein were again this time equally (+14) Chapter No’s, on both sides:

(+14)

(+14)

112 4

99 8

And hence, by His --on both sides-- thus “mathematically precise” Most-Wise actions, Almighty has hereby thus also profoundly and solidly showed us within this Subject herein:

** The miraculous importance of His Verses (=16/**101-102**) in this regard!

** The pivotal importance of His Chapter (=89/3) --in which He specifically informs us about this **Even** and **Odd** numbers based exceptional “mathematical planning” therein-- in this very critical context!

So let Peace and eternal Serenity be again upon all those righteous believers herein, who --after those enormously significant two fundamental “Awesome” heavenly Messages, as we have manifestly witnessed them in our first two critical documents-- shall also hearken thereafter to this third critical “Exceptional” heavenly Message herein, in this most anticipated Final Age, and so thereafter would wholeheartedly sit and also work on this, and thus witness and personally verify this too, with their own ears and eyes and minds herein, for their own eternal Salvation and benefits in the sight of Almighty, forever! (please, certainly see again The Testament 39/23, 33-35 & 74/26-40 & 89/3-5 in this regard.)
