

AN EXTRA MIRACLE

**PRECISE  
“INTEGERS”**

OF

**THE QURAN-TESTAMENT**

FOR/WITHIN

**THE LAST MILLENNIUM**

PRECISELY COUNTED "INTEGERS!"

(72/28)

Here, we shall together witness those --in total-- 30 Integers in the Quran-Testament, which are thus specifically mentioned and masterfully placed by Almighty therein, again in a most Wise and most Precise manner, which will thereby come to us in the end also thus as --in total-- 15 pairs of Integers thereafter, as miraculously coded again under number **19**, on both sides, therein, within those exact same heavenly principles again that are absolutely intrinsic and fundamental within His most unique **19** code & system (please, certainly remember The Testament 74/26-31 again in this regard), as we have already together clearly and comprehensively witnessed it within all of those most basic and fundamental Magnificent mathematical Miracles of Almighty, in our previous documents.

So let us together remember again, first of all, herein these essentially significant and related most basic declarations of Almighty beforehand, and thereafter immediately begin to focus on our main Subject herein, on the next page.

=====

28- Thus Almighty will know that they (those Messengers) have definitely delivered the Messages of their Lord; and He has thus surrounded all that are with them; and He has thus **counted** (=ahsaa) every wanted-thing --with/in-- **number** (=adadan)! (The Testament 72/28)

\*\*\*\*\*

12- ...And every wanted-thing, We have thus **counted** it (=ahsaynahu) in a clear record! (The Testament 36/12)

\*\*\*\*\*

28- And thus they (those disbelievers) rejected now Our "Signs" with an utter rejection!  
29- But every wanted-thing, We have thus **counted** it (=ahsaynahu) --as/within-- a **Written-Document** (=Ketaaban)! (The Testament 78/28-29)

=====

So let us, first of all, together see herein each of those 30 different Integers, as they are distinctively mentioned and masterfully placed by Almighty --within all of these "Chapter/Verse" no's-- in the entire Quran-Testament, thus:

**One** (=ahad)

So now, when we add up all of these 30 Integers, that we have thus seen above, and then also their total number of occurrences herein, after that, we can thus instantly and amazingly get by Almighty's great Wisdom and Grace herein these two miraculous results, first of all, one after the other, in this simple and straightforward way, thus:

<u>Integers:</u>	<u>Total Number of Occurrences:</u>
<b>1</b> Ahad	<b>52</b>
<b>2</b> Ethnaan,	<b>15</b>
<b>3</b> Thalaath,	<b>17</b>

<b>100000</b> Meeate-Alf	<b>1</b>

---

**19x...**

**19x...**

So now, we shall also witness together herein how Almighty has subsequently also planned thereafter all of these Integers in a most Wise and most Precise manner, within those exact same heavenly principles again, that are absolutely intrinsic and fundamental within His most unique **19** code & system, as we have already most basically and comprehensively witnessed it in all of those --Awesome 1 and 2 & Exceptional & Special-- miraculous Plannings of Almighty in our previous documents.

So let us together begin herein again with these most basic and fundamental Verses, in this regard, thus:

=====

23- The Authority has sent-down -herein- the nicest Utterance as a written-record, consisting of **similar** --Integers-- in **pairs/twoers** (=mutashaabehan mathaanea)!

\*\* We shall see on the next pages in this regard these 30 Integers, as they are distinctively mentioned by Almighty thus in a very specific manner and number of times in the whole Quran-Testament, which eventually shall give us in the end thus --from numerical standpoint-- **similar** (=mutashaabehan) 15 **pairs/twoers** (=mathaanea) of Integers therein, thus:

<b>1</b> Ahad	&	<b>2</b> Ethnaan,
<b>4</b> Arba,	&	<b>3</b> Thalaath,
<b>5</b> Khamsat	&	<b>6</b> Sittat
<b>7</b> Saba,	&	<b>8</b> Thamaaneyya,
<b>9</b> Tisa,	&	<b>10</b> Ashr,
<b>11</b> Ahada-Ashar	&	<b>12</b> Ethnaa-Ashar,
<b>20</b> Ishruun	&	<b>19</b> Tisata-Ashar
<b>30</b> Thalaathuun,	&	<b>40</b> Arbaeen
<b>50</b> Khamseen	&	<b>60</b> Sitteen
<b>70</b> Sabuun,	&	<b>80</b> Thamaaneen
<b>99</b> Tisun-vaTisuun	&	<b>100</b> Meeat
<b>300</b> Thalaatha-Meeat	&	<b>200</b> Meeatayn
<b>1000</b> Alf	&	<b>2000</b> Alfayn
<b>3000</b> Thalaathate-Aalaf	&	<b>5000</b> Khamsate-Aalaf
<b>50.000</b> Khamseena-Alf	&	<b>100.000</b> Meeate-Alf

The skins of those who reverence their Lord cringe therefrom, then their skins and their hearts do soften to -this- **Commemoration** (=Dhekr) of The Authority!

This is also the **Guidance** (=Hudaa) of The Authority, He **guides** with it whomever He wants; but whomever The Authority **makes-stray** (because of their own betrayal; 2/26-27), there can be no Guide for them -thereafter! (The Testament 39/23)

=====

= but the ones in whose hearts (there is) an illness, and the disbelievers herein shall say: **What is it that The Authority -really- intended by this allegory** (the allegory that has already been cited in the above 26-30. Verses)? The Authority thus **makes-stray** (=yudellu) with it, whomever He wants (because of their own betrayal; 2/26), and **guides** (=yahdee) with it, whomever He wants (because of their own loyalty and sincerity; 13/27). And none can know the armies of your Lord, except He; and it (=that **Uprooter** cited in the above 26-30. Verses) is not, except a **Commemorative** (=Dhekraa) for the humanity! (The Testament 74/26-31)

\*\* We must have also thus already solidly perceived the very close and deep connection between these Verses (74/26-31) and that Verse (39/23) we have previously seen, through the very critical keywords herein such as **Commemorative** (=Dhekraa), **Commemoration** (=Dhekr), and then **guides** (=yahdee), and **makes-stray** (=yudellu) thus used and emphasized in both of these specific Verses, which therefore fundamentally thus signals to us this same extra “mathematical planning” in the end, within the Quran-Testament! (please, also certainly see again The Testament 39/23 = 74/26-31 in this regard.)

=====

So after thus we have clearly remembered again these most critical and basic Verses in the Quran-Testament thus also in this regard now herein, we can thereafter together also witness now this **19** coded extra Miracle, on the next page, manifestly again, thus:

	total number of occurrences	total number of occurrences	
<b>1</b> Ahad	<b>52</b>	<b>15</b>	<b>2</b> Ethnaan,
<b>4</b> Arba,	<b>12</b>	<b>17</b>	<b>3</b> Thalaath,

**19**<sub>x...</sub>

**19**<sub>x...</sub> **19**<sub>x...</sub>

**19**<sub>x...</sub>

either-**1** Ihdaa

**5**

**1**

many-**1000** Uluuf

\*\* Firstly, we should definitely notice herein that in our above Table, we must rightfully choose --not that (other root) word: "**Wahed**"-- but certainly this "**Ahad**" for number "**1**" because number "**11**" is also expressed therein specifically as "**Ahada**-Ashar" later on by Almighty.

So Almighty thus most Wisely and Rightfully chooses and employs "**Ahad**" for number "**1**" --instead of that "Wahed"-- in His thus magnificent mathematical Planning above, in the first place. (please, also certainly see now The Testament 28/68 & 95/7-8 in this regard.)

\*\* Secondly, we should also definitely notice herein that under our Table above, that number: "**Ihdaa**" (=either-**1**) is thus --of course, most basically based on (74/28) again-- rightfully to be excluded therein, because it is the only feminine form therein, which is not stressed with a feminine "t" letter at the end, contrary to all other feminine forms of all those Integers (such as: arbaat, khamsat, sabat, tisa etc.) therein; so it should definitely be a "defective" form to be "excluded" on the left side, in this respect; and then, that number: "**Uluuf**" (=many-**1000**) is thus --of course, most basically based on (74/28) again-- rightfully to be eliminated therein, because it is the only form therein, which is not specified as a definite number, contrary to all other plural forms of all those Integers (such as: **one**-thousand, **two**-thousand, **three**-thousand, **five**-thousand, etc.) therein; so it should definitely be a "defective" form again to be "eliminated" on the right side, in this respect. (please, also certainly see now The Testament 2/106 & 74/28-30 again, in this regard.)

\*\* And lastly, we should definitely and ultimately notice herein that on our above Table, when we have thus paired off all those Integers, beginning from the smallest numbers to the biggest numbers in the end, therein, in a perfect orderly fashion, all these Integers ultimately were also thus perfectly made up of "equal digits" on the left and the right side, except these three, which have thus inevitably broken this general rule, therein, in favor of the right side, thus:

<b>9</b>	<u>1 digit X 2 digits</u>	<b>10</b>
<b>99</b>	<u>2 digits X 3 digits</u>	<b>100</b>
<b>50.000</b>	<u>5 digits X 6 digits</u>	<b>100.000</b>

So these three inevitable exceptions in this situation shall have also thus given us three basic justification now for our breaking herein our general rule (=putting the bigger Integers on the right side always rule) this time, in favor of the left side, above. So thereby, we have thus legitimately changed then the place of our most specific Integer “19” therein, and thus justifiably have put it on the right side, above, though it is the smaller Integer therein, first of all; and then we have followed the same --changing the places-- procedures, going 5 steps upwards, and then 5 steps downwards from this most specific Integer “19” therein. So in the end, we have thus broken this general rule herein equally for these “three” basic instances above, thus:

4	<u>bigger X smaller</u>	3
20	<u>bigger X smaller</u>	“19”
300	<u>bigger X smaller</u>	200

And when we have thus executed these --from number “19,” vertically symmetrical & equal-- precise (changing the places) these three basic procedures, we have thus finally and amazingly received those **wonderful** and **magnificent** results then on our Table above, on both sides, thus from our Most-Wise and Most-Rightful Almighty. (\*And we must also pay close attention, and certainly thus also additionally notice herein that, when we have gone 5 steps upwards, and then also 5 steps downwards, first of all, from that most specific Integer “19” above, the certain places we have thus come this time were also 3 steps upwards now from that (9 1 digit X 2 digits 10) at the upper-part of the Table, and then also equally 3 steps upwards again from that (50.000 5 digits X 6 digits 100.000) at the lower-part of the Table; and the place that also this most specific Integer “19” stands was thereafter again initially and most singularly 4 steps upwards now from that (99 2 digits X 3 digits 100) at the middle-part of the Table, as we must have thus already clearly witnessed above.)

And as we have already clearly witnessed again in our “Exceptional Miracle” document also before this, Almighty who has thus most-Wisely and most-Rightfully created each of these magnificent mathematical Miracles --even before the foundation of the world-- has also already informed then all sincere believers in a most-Wise and most-Rightful manner again about His --thus justifiably and knowledgeably, changing the places-- most Accurate mathematical procedures in His miraculous Word, beforehand, thus:

=====

101- And when We changed a “**Sign**” (=aayatan; firstly, Integer “**19**” in the above case) into place of another “**Sign**” (=aayatan; firstly, Integer “**20**” in the above case), and The Authority knows best what He is thus sending down, they said (to His Messenger) now: “You are only a fabricator!” No, majority of them do not know!

102- (O the Messenger of Covenant) then you shall say (to them) now:  
The Holy Spirit has thus brought it down from your Lord as the truth, that He shall strengthen the ones who have believed, and as a **Guidance** (=Hudan)  
(please, certainly remember that this “similar --Integers-- in twoers/pairs” system is already thus called a **Guidance** (=Hudaa) by Almighty, upon which there would be number **19** then!  $39/23 = 74/26-31$ ) and as a good news for the surrenderers (to Him)!

(The Quran-Testament 16/101-102)

=====

So let Peace and eternal Serenity be again upon all those righteous believers herein, who --after those hugely significant two fundamental miraculous “Awesome” holy Plannings, as we have manifestly witnessed them in our first two most critical documents-- shall also hearken thereafter to this sixth very critical miraculous “Extra” holy Planning herein, in this most anticipated Final Age, and so thereafter would wholeheartedly sit and also work on this, and thus witness and personally verify this too, with their own ears and eyes and minds herein, for their own eternal Salvation and benefits in the sight of Almighty, forever! (please, certainly see again The Testament 39/23, 33-35 & 74/26-40 in this regard.)
