 **Absolutely SUPERB Miracle (2)**

« on: June 26, 2015, 04:22:14 PM »

Salaam to all brothers/sisters,

Here we shall witness an **Absolutely SUPERB Miracle** again, which is again very Easy to understand, but absolutely Impossible to imitate. (=Quran Testament **17/88**)

So in order to attain, all together, to such a most clear, conscientious and intelligent and perfect state of mind (=Quran Testament **17/107-109** & **32/15-17**)

and thus truly understand and absolutely proclaim: (=All **Praise** belong to **AL-LAH** Alone)

(=Quran Testament **41/40-42 = 32/15-17**),

please, let us follow here carefully.

So, there are only "**10**" Chapters/Surahs in the Quran Testament, when we place them (side by side) as

Chapter/Surah No. Total Number of Verses --(not including "Basmalahs"),

we perfectly get a multiple (=i.e. **19**x...) therein thus:

<u>Chapter/Surah No.</u>	<u>not including "<u>Basmalahs</u>" Total Number of Verses</u>	
27	93	= 19 x...
28	88	= 19 x...
32	30	= 19 x...
40	85	= 19 x...
43	89	= 19 x...

66	12	= 19x...
89	30	= 19x...
98	8	= 19x...
106	4	= 19x...
108	3	= 19x...

So now, here are those most special **ten** "Chapters/Surahs" in this respect above, also in this **Most AMAZING & Most WONDROUS** order, here thus:

Glory be to **AL-LAH!**

Chapter/Surah No.

66 32 40 43 28
> > >

= 19 x...

Glory be to **AL-LAH!**

Chapter/Surah No.

98 108 106 89 27
< < <

= 19 x...

And now, here are those most special **ten** "Total Number of Verses" in this respect above, also in this **Most AMAZING & Most WONDROUS** order again, here thus:

Glory be to **AL-LAH!**

Total Number of Verses
therein above

88 30 85 89 12
^ ^ ^

= 19 x...

Glory be to **AL-LAH!**

Total Number of Verses
therein above

93 003 004 30 08
^ ^ ^

= 19 x...

*Please, certainly note that we have thus rightfully placed all those "Chapter/Surah No's" and then each of their "Total Number of Verses" --(in such a straightly corresponding manner above, except those very first and the last ones which are exclusively placed in such a diagonally corresponding manner therein in those very first and the last places above)-- thereafter, as/in exact "same/equal number of digits" above, by also rightfully putting those extra zeros therein, wherever it is needed.

66	32	40	43	28	98	108	106	89	27
	∨	∨	∨			∨	∨	∨	
88	30	85	89	12	93	003	004	30	08

*Please, absolutely notice that this (=i.e. putting those extra zeros wherever it is needed thus to make the digits of each and every of those numbers above exactly same/equal therein, for/on both sides) is "**Exactly the Same Principle**" we have thus rightfully followed, by this most Wise and perfect Instruction of our Supreme LORD here again, in the first place (=Quran Testament **28/68 = 33/36**),

within those **three & three** most special "Chapter/Surahs" and their "Total Number of Verses," and then also within those **six & six** most special "Chapter/Surahs" and their "Total Number of Verses," before this, also within "**Absolutely SUPERB Miracle (1)**" here:

<http://free-minds.org/forum/index.php?topic=9607561.0>

=====

26- (AL-LAH said): So (now) I will get him (=i.e. a disbeliever or/and a skeptic who claims that **QURAN** is a man-made Message here; =**74/20-25**) into **Uprooter** --(thereby thus to absolutely prove to him and to whole world that **QURAN** is definitely Not a man-made Message, but it is absolutely **most Superb and matchless "Word of AL-LAH"** here; =**17/88**)

27- And what made you know what an **Uprooter**!

28- It does **not let-last** --(but **eliminates** all those **extra "zeros"** --from/on the left side above-- (*because there is no need for any **extra "zero"** within those "five & five" numbers therein, because all of those (five & five) numbers essentially consist of exact "same/equal number of digits" therein, on the left side above, in the first place),

and It does **not let-stay** --(but **excludes** all those **extra "zeros"**--from/on the right side above-- (*because there is no need for any **extra "zero"** within those "two & two" numbers therein, because those (two & two) numbers essentially consist of exact "same/equal number of digits" therein again, on the right side above, in the first place),

29- (Thereafter, it presents) **Tables** --(as/in all those most special **Chapters/Surahs No's** above and then also each of their most special **Total Number of Verses** therein --in such a perfectly corresponding manner-- thereafter, "for/on the left side & for/on the right side" above)-- for all humanity.

30- Upon it (there shall be) **"19"**!

31- and "It" (=i.e. that "**Uprooter**" as perfectly pointed out in the above **26-30th** Verses) is but a **Commemoration** (= **Dhikraa**) for all humanity.

49- And from every thing We have created --for/on **the left side** & for/on **the right side** above-- as "**pairs**," that perhaps you may **take-Commemoration** (= **taDhakkaroona**)!

(=QURAN TESTAMENT **74/26-31 "Dhikraa"** = **51/49 "taDhakkaroona"**)

=====

Remain in peace/salaam.

*Another MUST See topic here, in the first place:

Re: Absolutely SUPERB Miracle (2)
« Reply #2 on: July 06, 2015, 01:53:09 PM »

Salaam to all brothers/sisters,

Here is a most essential and basic Guideline for all of us regarding how to understand what is a most Superb and priceless "Mathematical Miracle" created by AL-LAH in the Quran Testament, and what is not.

1) Each and every most Superb and priceless "Mathematical Miracle" created by AL-LAH in the Quran Testament, absolutely comes in "pairs," coded by "**19**" --for/on the left side & for/on the right side-- in the first place.

(=QURAN TESTAMENT **74/26-31 "Dhikraa" = 51/49 "taDhakkaroonaa"**)

(*Please, absolutely see these most fundamental and basic Verses within the very first post above.)

2) There can never be any --mathematical or/and textual-- "contradiction" or "crookedness" within a most Superb and priceless "Mathematical Miracle" created by AL-LAH --for/on the left side & for/on the right side-- in the Quran Testament.

(=QURAN TESTAMENT **4/82 & 18/1-2**)

3) Each and every most Superb and priceless "Mathematical Miracle" created by AL-LAH --for/on the left side & for/on the right side-- in the Quran Testament are essentially Easy to understand but absolutely Impossible to imitate.

(=QURAN TESTAMENT **74/26-31 "Dhikraa" = 39/23 "Dhikr" = 54/17 "Dhikr"**) (=17/88)

All other "mathematical calculations" based on number "**19**" (or any other number as well) that do not meet this most fundamental and basic Criteria above are NOT most Superb and priceless "Mathematical Miracles" created by AL-LAH for/in the Quran Testament; they can only be such worthless manipulations here. (=4/120)

Those who immediately repent and return to **AL-LAH** based on this most fundamental and basic Criteria above shall be forgiven and rewarded by **AL-LAH** in this "Most Generous" and "Most Benevolent" manner here. (=QURAN TESTAMENT **25/70-71**)

Remain in peace/salaam.
