 **Most MIRACULOUS "Axial Tilts" of the "8" main Planets in our Solar System!**

« on: April 25, 2015, 12:12:30 AM »

Salaam to all brothers/sisters,

here are the "axial tilts" of the Sun and the Moon, and the "8" main Planets in our Solar System --(as/in "International Astronomical Union" standards)

http://en.wikipedia.org/wiki/Axial_tilt

	<u>Axial Tilt</u>
Sun	7.25
Moon	6.68 (with respect to + including ecliptic)
=====	
Mercury	0.01
Venus	2.64
Earth	23.4
Mars	25.19
Jupiter	3.12
Saturn	26.73
Uranus	82.23

Neptune 28.33

So here they are --(specifically as/of the main Numbers above, without any of those fractions here)

Sun	Moon
7	6

= **19** x...

Mercury	Venus	Earth	Mars
0	2	23	25

= **19** x...

Jupiter	Saturn	Uranus	Neptune
3	26	82	28

= **19** x...

5- The "Sun" and the "Moon" are (created) with/upon a **Calculation!** (=QURAN TESTAMENT **55/5**)

17- ... and "Eight" (=i.e. thus a most specific reference also and especially to those "8" main Planets in this respect above now) will be carrying on that day the Throne of your Lord! (=QURAN TESTAMENT **69/17**)

26- (AL-LAH said): So (now) I will get him into Uprooter!

27- And what made you know what an Uprooter!

28- It does **not let-last** --(but **eliminates** all those fractions for/on the left side above), and It does **not let-stay** --(but **excludes** all those fractions for/on the right side above),

29- (Thereafter, it presents) **Tables** --(for/on the left side & for/on the right side --as/in all those Main Numbers-- above) for all humanity.

30- Upon it (there shall be) "**19**"! (=QURAN TESTAMENT **74/26-30**)

So please, also absolutely see now

UNIVERSAL MAGNIFICENT MIRACLES 1 & 2

Documents here:

or/and here:

to witness all of those other "**19**" coded, most Superb and matchless "**Symmetrical Miracles**" within our Universe, Galaxies, Stars, Planets, Earth, and all Living-things, Mountains, Seas, Trees, Plants, therein, which have thus been Most Wondrously & Most Wisely created by **AL-LAH**, from the very beginning, for all humanity here! (=QURAN TESTAMENT **74/26-30** = **41/53**)

Peace,

Please be so honest to include the context of 74/26-30 being a description of Saqaar. Nothing else.

Salaam,

yes, brother, then what is "Saqar"?

27- And what made you know what "Saqar" is? (=QURAN TESTAMENT **74/27**)

And it is thus well explained by AL-LAH immediately in the following Verses:

28- It does **not let-last** --(but **eliminates** for/on the left side above), and It does **not let-stay** --(but **excludes** for/on the right side above),

29- (Thereafter, it presents) **Tables** --(for/on the left side & for/on the right side above) for all humanity.

30- Upon it (there shall be) "**19**"!

31- And We have made the guardians of the hellfire to be angels; and We did not make their number (= **19**) except as a Test for the disbelievers;

thus

= those who were given the Scripture (=Jews, Christians, Arabs) herein may attain certainty, and (all) the Believers may augment belief,

= those who were given the Scripture (=Jews, Christians, Arabs), and (all) the Believers hereby shall not doubt,

= but those in whose hearts (there is) an illness, and the disbelievers herein shall say:

What is it that AL-LAH has -really- intended by this **allegory** (=the **allegory** (=mathala) that has thus already been cited in the above **26-30th** Verses)?

AL-LAH thus sends astray (=yudillu) with it whomever He wills --(because of their own betrayal here again; =2/26), and guides (=yahdee) with it whomever He wills --(because of their own sincerity herein; =13/27).

And none knows the armies of your Lord except Him; and "It" (=that "Saqar" thus cited in the above **26-30th** Verses again) is but a Commemorative (=Dhikraa) for the humanity!

(=QURAN TESTAMENT **74/26-31**)

And please, we should never forget that this "Saqar" is thus used in such a specific "**allegorical**" (=mathala) context above, and then it is thus well explained by AL-LAH --(what it is)-- immediately in the following Verses above! (=QURAN TESTAMENT **74/26-27 & 28-31**)

For example, in another such a specific "**allegorical**" (=mathala) context

good Tree is explained as good Message of AL-LAH

good Fruits is explained as good Words of AL-LAH

that will nourish the soul/mind of every truthful believer forever therein! (=QURAN TESTAMENT **14/24-25**)

So we should clearly see and understand now what an "**allegory**" (=mathala) is and how it is well explained by AL-LAH in their most specific Contexts therein (=QURAN TESTAMENT **74/26-31 = 14/24-25 =**), in the first place!

So when/if AL-LAH says to us --(in a most specific "**allegorical**" context)-- that HE will give to us good Trees and good Fruits that will strenghten our faith and make us firm, forever, we immediately understand that HE will give to us HIS good Messages and good Words therein! (=QURAN TESTAMENT **14/24-27**)

So when/if AL-LAH says to us --(in a most specific "**allegorical**" context)-- that HE will show to us "Saqar" that will strenghten our faith and the faith of all righteous Jews and Christians and Arabs, and make us firm, forever, we immediately understand that HE will give to us HIS above "System" therein! (=QURAN TESTAMENT **74/26-31**)

in these most specific "**allegorical**" (=mathala) Contexts above!

Remain in peace/salaam.

Before you start projecting collective semantics on to verses, read this. You cannot be sure of what you are saying here. If you are treating the semantics you have quoted as 'thats these verses were intended to communicate', then you have problems, big problems.

74:29 speaking about tables and not humans is to say the least, a very imaginative translation 🤔

Gender: 

It's easy to discover how flawed a translation is by just counting the amount of brackets they need to support it.

Well, it's your choice to understand it as an allegory where Quran tells you explicitly those understanding it as an allegory are the rejecters. These verses are not allegorical to the believers. They are a physical description of hell. They aren't a metaphor. It's a most literal description of hell. The code 19'ers have started to wonder what God could mean by this metaphor. Not realizing it's not a metaphor and placing themselves in a quranic category they would rather not be in.

Are you one of the rejecters claiming this is an allegory? (74:31)

Fear hell brother, it's very real. Dont be fooled by it being hidden. It's as real as me and you.

I do not see any problem here, because

1) the Arabic Language of QURAN is a most pure and clean and perfect Language that is **specifically made easy** by AL-LAH that all (sane and sincere) people may truly understand it

and correctly repent and reform themselves accordingly. (=QURAN TESTAMENT **19/97** & **39/28** & **54/17, 22, ...**)

2- Therefore, to learn and know the Arabic Language of QURAN is a **Should** (or even **Must** in some cases) for all truthful believers that they may study this **clear Scripture** (=al-Kitaab al-mubeen) truthfully and comprehend it correctly, inshaAL-LAH (=QURAN TESTAMENT **43/2-3**), in the first place.

3- Consequently, the most critical and important "**Main Message**" behind this code "**19**" shall easily and truthfully be understood by all (sane and sincere) people on earth, and they shall glorify and worship AL-LAH truthfully and correctly thereupon. (=QURAN TESTAMENT **74/26-30, 31 = 2/25-26**)

74:29 speaking about tables and not humans is to say the least, a very imaginative translation 🙄

145- And We wrote for him (=i.e. Moses) on the "Tables/Tablets" (=Alwaah) --specifically on the left side therein-- from all things a lesson, and --specifically on the right side therein-- detailing of all things!

(=QURAN TESTAMENT **7/145**)

27- And what made you know what "Sagar" is?

28- It does **not let-last** --(but **eliminates**, specifically on the left side above), and It does **not let-stay** --(but **excludes**, specifically on the right side above),

29- (Thereafter, it presents) Tables/Tablets (=Lawwaahatun) --(for/on the left side & for/on the right side above)-- for all humanity.

30- Upon it (there shall be) **"19"**! (=QURAN TESTAMENT **74/26-30**)

So when we clearly see the perfect relation between those "Tables/Tablets" (=Alwaah) given to prophet Moses (pbuh) specifically as/in in "pairs" therein, (=i.e. known as the "Two-Tablets" of prophet Moses (pbuh)

and these "Tables/Tablets" (=Lawwahatun) above which comes specifically as/in "pairs" again,

everything should be perfectly Clear, in this respect, in the first place.

So please, absolutely see now

BIBLICAL EXCELLENT MIRACLES 1

Document, p. **125-126**

here: www.holy-19-harvest.com

to clearly see and understand how and why those "Two-Tablets" (=Alwaah) were given to prophet Moses (pbuh), specifically as/in "pairs" therein,

and how they are also perfectly coded by number **"19"** --for/on both sides-- therein, in the first place!

So it should be perfectly clear now how and why this **"19"** coded, most Superb and matchless "**Symmetrical Miracles**" above shall absolutely convince all (sane and sincere) Jews on earth that QURAN is the Absolute Word of AL-LAH here! (=QURAN TESTAMENT **74/26-30, 31**)

Lawwaahatun Etymology:

laun : color [lauwana] Hau launi, Per loun borrowed from Ara
lauwana
: color [Mal lewn (a color)]

You seem to confuse this with:

lauhha : board, tablet [lauhh] Per louhha, Tur levha borrowed from Ara

Given the context tablet is excluded .

- 27 And what made you know what is hell?
- 28 It does not let last and it does not let remain
- 29 Scorching/changing the skin color of mankind
- 30 Upon it 19 (potassium)

The fire burning the human skin, changing its color, scorching it leaving a remainder of only potassium. Just like in a crematorium.

A literal translation of 29 using tablets:

- 27 And what made you know what is hell?
- 28 It does not let last and it does not let remain
- 29 Tablets/tables mankind (no for in arabic as you inject in your translation, genitive)
- 30 Upon it 19

So on hell we find a hidden numerological system? Hell is covered by tables/tablets? When you burn human fuel the remainder is tables/tablets?

You seem persistent in rejecting the concept of hell. I don't think any of my arguments will help change this.

Edip Yuksel:

Quote

Finally, even if those verses are understood as the description of Hell, still the Quran treats Nineteen as a number. The number Nineteen is isolated from Hell both in verse 74:30 and 74:31. No matter how hard you try, you cannot hide the number Nineteen in your imaginary Hell.

Well you can, Edip made this conclusion way too early. Atomic index number 19, the remainder in human ashes fits perfectly in Hell. Yuksel misunderstands the "Lawwaahatun" as much as you do.

Peace

Salaam,

"**Tables/Tablets**" (= "**Alwaah**") granted by AL-LAH unto prophet Moses (pbuh), specifically **as/in "pairs"** therein (=QURAN TESTAMENT **7/145**),

and "**Tables/Tablets**" (= **Lawwahatun**) granted by AL-LAH unto all people, specifically **as/in "pairs"** again now herein (=QURAN TESTAMENT **74/26-30, 31**),

are thus closely and perfectly related to each other, in the first place.

For this reason, this "**19**" coded, most Superb and matchless "**Symmetrical Miracles**" above shall absolutely convince all (sane and sincere) Jews on earth now that **QURAN** is the Absolute **Word of AL-LAH** here (=QURAN TESTAMENT **74/26-30, 31**), in the first place!

Therefore, we do not need to confuse ourselves with old dictionaries and every kind of old and uninformed meanings and related explanations in those times therein, (=QURAN TESTAMENT **2/170 & 43/24**)

instead, if we just truthfully and sincerely focus on the **Word of AL-LAH** in this Final Age now, HE thus clearly and perfectly teaches us what this "**Sagar**" and what this "**Lawwahatun**" means in that most specific "**Mathala**" (= **Allegorical Description**) above, in the first place! (=QURAN TESTAMENT **74/26-30, 31**)

Remain in peace/salaam.
