 **"ThUnDeR" absolutely glorifies AL-LAH, right here now =13/13**

« on: Yesterday at 12:47:43 PM »

Salaam to all brothers/sisters,

here we shall clearly witness absolutely Magnificent **--Scientific/Mathematic-- Signs**
that our One and Only LORD **AL-LAH** has created, from the very beginning,
due to **HIS most essential Word and Promise**,
in this respect, here:

=====

49- Certainly, **We** have created **all things** (=kulla shayin)

(=i.e. thus also and especially, **"the Thunder"** (=in Arabic: **"al-Rad"**),
from the very beginning, in this most specific respect here =**2/19** & **13/13**)---

based upon a **Precise-MEASURE (=biQADARIN)**

---(which is essentially **"19" coded**, from the very beginning, here =**74/26-30**)---

53- So, **We** will show them Our **Signs (=AYATINA)**

---(which are specifically **"19" coded** again here =**74/26-30, 31**)---

in the horizons (=i.e. thus also and especially, in that **"Thunder"** above (=in Arabic: **"al-Rad"**),
from the very beginning, in this most specific respect now again here =**2/19** & **13/13**)---

and also within their selves/souls,

until it becomes perfectly clear to them that this is absolutely **The Truth**.

Is it not Enough that your LORD is **Witness** over all things.

"the Thunder" (=in Arabic: **"al-Rad"**) > ا ل ر ع د

Number of "Letters" > 1 + 1 + 1 + 1 + 1
= **5**
in total

Gematrical Values
of those "Letters" above > 4+70+200+30+1
= **305**
in total

*And we can clearly see all **Gematrical Values** of each and every **Arabic Letter**
here: https://en.wikipedia.org/wiki/Abjad_numerals#Letter_values

« Reply #2 on: Yesterday at 01:53:02 PM »

"Thunder" (=in Arabic: **"Radan"**) > ر ع د ا

Gematrixal Values
of those **"Letters"** above > **1 + 4 + 70 + 200**
= 275
in total

*Please, absolutely note that
in Arabic, this most specific term can legitimately be written
in three basic forms:

"the Thunder" (= **"al-Rad"**) & **"a Thunder"** (= **"Rad"**) & **"a Thunder"** (= **"Radan"**)

we have specifically chosen that very first form above = **"the Thunder"** (= **"al-Rad"**)
for/in that **most Magnificent and fundamental first Case**, before this, in the first place;

and now we will legitimately and specifically choose that very last form above = **"a Thunder"** (= **"Radan"**)
for/in this **most Magnificent and quintessential second Case**,
now here:

Re: "ThUnDeR" absolutely glorifies AL-LAH, right here now =13/13
« Reply #3 on: Yesterday at 02:50:26 PM »

*Please, absolutely note that

the Speed of Sound of "Thunder" (= **333** meters per second & **339** meters per second)
has thus been taken into account above --(for/in Standard Atmospheric Pressure therein)--

perfectly at **02** °C temperature

and also at **02** percent (= %**2**) humidity in the Air, = **332.67**
= thus (in round number, rightfully) **333 meters** per **second** therein,
and then,

perfectly at **13** °C temperature
and also at **13** percent (= %**13**) humidity in the Air, = **339.35**
= thus (in round number, rightfully) **339 meters** per **second** therein,

--(due to these most specific **two Chapter No.s** (= **02/..** & = **13/..**)
in which **"Thunder"** has specifically been mentioned by our LORD **AL-LAH**
above:

Chapter No. "02"

&

Chapter No. "13" therein above, respectively, in the first place,
for/in that **second Case** above).

***We can do the calculations here:**

http://www.engineeringtoolbox.com/air-speed-sound-d_603.html

<http://www.sengpielaudio.com/calculator-airpressure.htm>

And thereafter,

the Speed of Sound of **"Thunder"** (= **339 meters** per **second** & **343 meters** per **second**)
has thus been taken into account above --(for/in **Standard Atmospheric Pressure** therein again)--

perfectly at **13** °C temperature
and also at **13** percent (= %**13**) humidity in the Air, = **339.35**
= thus (in round number, rightfully) **339 meters** per **second** therein again,
and then,

perfectly at **19** °C temperature
and also at **19** percent (= %**19**) humidity in the Air, = **343.00**
= thus (in round number, rightfully) **343 meters** per **second** therein,

--(due to these most specific **two Verse No.s** (= **../13** & = **../19**)
in which **"Thunder"** has specifically been mentioned by our LORD **AL-LAH**
above:

Verse No. "13"

&

Verse No. "19" therein above, respectively, in the first place,

for/in that **third Case** above).

***We can do the calculations again here:**

http://www.engineeringtoolbox.com/air-speed-sound-d_603.html

<http://www.sengpielaudio.com/calculator-airpressure.htm>

by all of these **absolutely Most Superb and matchless perfect "Creation Designs"** of our Supreme LORD (=17/88)

here again (**72/28 = 78/29**), from the very beginning!

V V
V V

=====

28- ... for HE has encompassed all that is with them,
and HE has **precisely-computed/counted** (=ahsaa) all things (=kulla shayin)

(=i.e. thus also and especially,
that most specific and precise **Speed of Sound** of **"Thunder"**
for/in each and every of those Cases, therein above,
from the very beginning)---

as/in **"Numbers"** (= **"Adadan"**)!

V V V

29- For We have **precisely-computed/counted** (=ahsaynahu) all things (=kulla shayin)

(=i.e. thus also and especially,
these absolutely exclusive and most Essential
two "Chapter-Verse" Numbers,
throughout the whole QURAN TESTAMENT above: (**2 19** & **13 13**)
in which
this most specific and precise **Speed of Sound** of **"Thunder"**
for/in each and every of those Cases, therein above,

has thus most Wisely and strongly been Indicated by our LORD AL-LAH,
from the very beginning, therein above: (**2 19** & **13 13**)---

as/in a **"SCRIPTURE"** (= **"KITABAN"**)!

--(specifically, based upon **Number "19"** again, from the very beginning,
here: (**54/49 = 2/19** & **13/13 = 74/26-30, 31**)!

« Reply #4 on: Yesterday at 04:46:59 PM »

=====

13- And **"the Thunder"** (=in Arabic: **"al-Rad"**) --thus also and especially, due to/on **the left side** of those **"19" coded** Tables above now-- glorifies with **"HIS Praise,"** and (so do) the Angels --due to/on **the right side** of those **"19" coded** Tables above now-- due to **"HIS Majesty"** (therein), for/and HE sends **the sounds/bolts** (thereby) and makes them reach/touch whom HE wills. Yet they are still arguing about AL-LAH, while HE is **Awesome in Power!**

QURAN TESTAMENT 13/13

=====

=====

24- And he (=i.e. a disbelieving or/and a skeptic Person) said:
This (QURAN) is nothing except an ancient Magic.

25- This is nothing except a (fabricated) Saying of a human-being.

26- (AL-LAH said): So (now) I will get him into **Uprooter** --(thereby thus to absolutely prove to him and to the whole World that **QURAN** is definitely Not a man-made Message, as that disbelieving or/and a skeptic Person erroneously claimed, in the first place, above, but it is absolutely **most Superb and matchless Word of AL-LAH** here =**17/88**)!

27- So what made you know what an **Uprooter**.

28- It does **not let-last** --(but **eliminates** those (non-essential) "**decimal fractions**" therein (=e.g. **332.67** & **339.35**) from/on **the left sides** of our Tables above)--

and It does **not let-stay** --(but **excludes** those (non-essential) "**decimal fractions**"

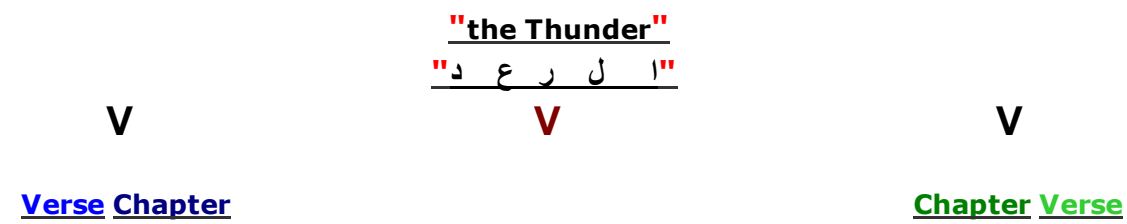

therein again (=e.g. **332.67** & **339.35**) also from/on **the right sides** of our Tables above)--

29- (Thereupon, it presents) **Tables** --(based on all of those **Absolutely Perfect and Essential "Integers"**

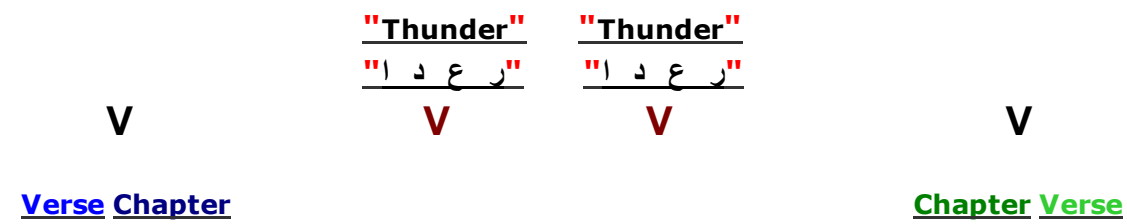

therein (=e.g. **343**)

(e.g. **333** & **339**)

due to/within that **most Magnificent and fundamental first Case** above:

and then, due to/within that **most Magnificent and quintessential second Case** above:

due to/on **all of those "left sides"** & due to/on **all of those "right sides"**
for/within each of those **first & second Cases** therein above)-- for all humanity.

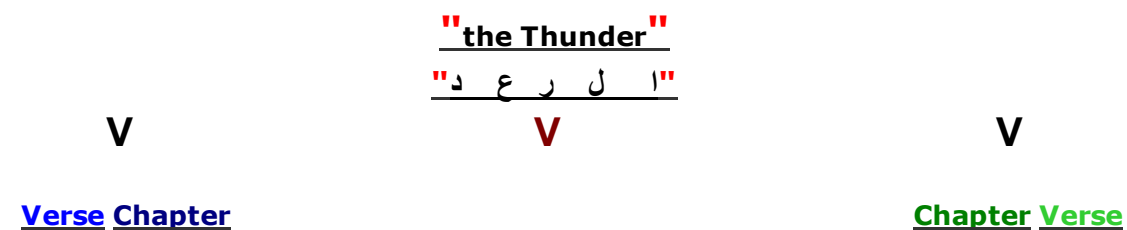

30- Upon it (there shall be) **"19"**!

31- And "It" (=i.e. that "Uprooter" again, as clearly pointed out in the above **24-30th** Verses)-- is but a **"Commemoration"** (= "**Dhikraa**") for all humanity.

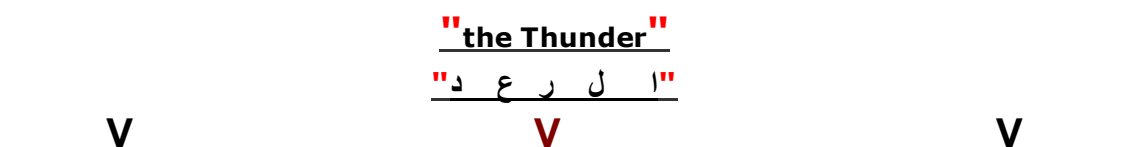

49- And from all things We have created

--thus also and especially, for/on **the left side** & for/on **the right side**
also here in this respect now--

as/in **"pairs"** (=e.g.

--or/and--
again

that perhaps you may "take-Commemoration" (= "taDhakkaroona") ---thus especially,
based upon that "**19**" coded "Commemoration" (= "Dhikraa")
in the above Verses (**30-31**), here again, in the very first place!---

(=QURAN TESTAMENT

74/24-30, 31 = "**19**" & "Commemoration" (= "Dhikraa")

51/49 = "pairs" & "take-Commemoration" (= "taDhakkaroona")

=====

Remain in peace/salaam.
