Salaam to all brothers/sisters,

here we shall clearly witness the **most amazing "Device"** (=i.e. "PC" = "Personal Computer") in the history of humankind, that has been invented in our Final Age now, in this most specific respect here, now here thus:

=====

53- So, We will show them Our **Signs (=Ayatina)**

---(which are specifically "**19**" coded again here =74/26-30, 31)---

in the horizons (=i.e. thus also and especially, with regard to that **most amazing "Device"** (=i.e. "PC" = "Personal Computer") that has been introduced (on "**December 19, 1974**") to the whole World, in this most specific respect now here =27/82)--- and also within their own selves/souls,

until it becomes perfectly clear to them that this is absolutely **The Truth.**

Is it not Enough that your **LORD** is **Witness** over all things.

QURAN TESTAMENT **41/53**

=====

So here is the most essential and exclusive Verse in which this **most amazing "Device"** (=i.e. "PC" = "Personal Computer") of/in our Final Age now, has thus clearly been foretold by our LORD **AL-LAH**, even from the very Beginning, in QURAN TESTAMENT, in this most specific respect, now here:

=====

82- And when the "**Predictive-Utterance**" --(with regard to **Code "19"** here: **74/26-30, 31**)-- has come-true upon them,

We have brought out for them a "**moving-creature**" from the "**earth**" (=in arabic: "**dabbatan**" min al"ard" =i.e. "**computer**" made of all "**earthly**" materials therein, for/in this Final Age now),

"**computer**" is in constant/rapid "**movement**" in its main "circuits," "lights," "screens," "presentation of all visuals/texts," etc. hence it is rightfully foretold specifically as a "**moving-creature**" (=in arabic: "**dabbatan**") in this respect above.

Whatever has lawfully and successfully been achieved or invented by humans are in fact created by **AL-LAH**
=QURAN TESTAMENT **39/62 = 8/17**

hence it is rightfully foretold specifically as "**We have brought out for them**" in this respect, above.

which will **deliver-Words** (=in arabic: **yuKallimu**) to them:

"(Alas), the people have been, regarding Our --("19" coded)-- **Signs** --(here =74/26-30, 31)-- not attaining-certainty!"

QURAN TESTAMENT, **Chapter No. 27, Verse No. 82**

=====

Introduction of the **first "PC"** (= "**Personal Computer**") to the whole World

The Altair or Altair 8800 computer from MITS was developed by Henry Edward Roberts and **introduced** on "**December 19, 1974**"

It was later published on the front cover of Popular Electronics in 1975 making it almost instantly a huge success.

The Altair 8800 included an Intel 8080 processor, "1024 word" memory boards with 256 bytes of memory (expandable to 64 K).

It had several additional add-ons such as a memory board and interface boards.

By August 1975, over 5,000 Altair 8800 personal computers were sold and started the "**PC**" (= "**Personal Computer**") revolution.

*We should certainly note that in this well-known/specific Country wherein this **most amazing "Device"** has thus been invented and introduced to the whole World therein above, it is officially always stated --in this specific order-- as:

Introduction Date: **December 19, 1974** = "**12 / 19 / 1974**"

thereby, we will always take it into account precisely in these "**specific orders**" = "**Month / Day / Year**" above.

*And we should certainly note that

Code "19" in QURAN TESTAMENT is specifically foretold in **Chapter "74"**,

so this **Introduction** Date we will specifically take into account above:

12 / 19 / "19""74"

is thus absolutely **Remarkable** in this respect above, first of all!

And then again, **Number "19"** in QURAN TESTAMENT is specifically referred to and emphasized as --("their **Number**" = in arabic: "**Iddatahum**")-- therein in **Verse "31"**, **Chapter "74"**,

so this **Introduction** Date we will specifically take into account above:

12 + 19 = "31" / =19"74"

is again absolutely **Remarkable**, also again in this respect above, from the very beginning!

So now let us see all of those **most Powerful** and **clear Evidences**

which will unmistakably show us that our LORD AL-LAH --(Who absolutely Knows all the past and the future Events, even long before they would actually take place here, by HIS Superb Knowledge which is absolutely unfathomable by us =20/110 & 31/34)

has thus already clearly foretold in this **most essential** and **exclusive Verse** in QURAN TESTAMENT above (=27/82),

about this **most amazing "Device"** (=i.e. "PC" = "Personal Computer") of/in our Final Age now, that has been introduced to the whole World on

Introduction Date: **December 19, 1974** = **"12 / 19 / 1974"** above,

even from the very Beginning, now here thus:

*First of all, let us clearly see here this most Essential and exclusive "**Chapter/Verse**" No. (=27/82), in QURAN TESTAMENT, in this most specific respect, above, now here again, openly and clearly, thus:

Chapter No. **27** / **Verse** No. **82**

V

**wa idha waqaa al-Qawlu alayhim
akhrajna lahum "daabbatan" min "al-ardi" tukallimuhum:**

واذا وقع القول عليهم
اخرجنا لهم دابة من الارض تكلمهم

**And when the Predictive-Utterance has come-true upon them
We have brought out for them a "moving-creature" from "the earth"
delivering-Words to them:**

total **Number** of (Arabic) "**Letters**" above:

= **28**

total **Gematrixal Value** of those "**Letters**" above:

= **3005**

*Please, certainly note that we have rightfully taken this unique letter (=ة) into account, exclusively as "**two**" letters (ت & ه), and their Gematrixal Values: (400 & 5) respectively, for/in this case above, because it is such a **unique (compound) letter** of Arabic alphabet which can rightfully be considered as such separate/individual "**two**" letters, from the very beginning.

--and then--

again
also

V

wa idha waqaa al-Qawlu alayhim
akhrajna lahum "daabbatan" min "al-ardi" tukallimuhum:

"Anna al-naasa kanoo biAyatina la yuqinoona!"

واذا وقع القول على هم
اخرجنا لهم دابة من الارض تكلمهم
ان الناس كانوا باياتنا لا يوقنون

And when the Predictive-Utterance has come-true upon them
We have brought out for them a "moving-creature" from "the earth"
delivering-Words to them:

"Alas, the people have been, regarding Our Signs, not attaining-certainty!"

total **Number** of (Arabic) "**Letters**" above:

= **54**

total **Gematrixal Value** of those "**Letters**" above:

= **3989**

*Please, certainly note that we have rightfully taken this unique letter (=ة) into account, basically as "**one**" letter (ة), and its Gematrixal Value: (400) correspondingly, for/in this case above, because it is such a **unique (compound) letter** of Arabic alphabet which

can also rightfully be considered as such a joint/unified "one" letter, from the very beginning.

*And we can clearly see all "**Gematrical Values**" of each and every (Arabic) **Letter** here: https://en.wikipedia.org/wiki/Abjad_numerals#Letter_values

Because this 1 time prophecy is fulfilled, it's maybe a good idea to change the quran verse (27:82) a little bit , because the verse is now not valid anymore.
Maybe we should change it to a past form, like:
"And remember when the "Predictive-Utterance" came-true upon them, We had (thereafter also) brought out for them --(on "December 19, 1974")-- a "moving-creature" from the "earth"....

what we need to understand is , either the creature made up of life or without life...

computer are machines and they required a man to operate it as well as to create it...

if quran is referring to the creature with life then computer is exempted from it....

electricity can also fit if you refer earthly material in it.. we know electricity is generated through water at first through turbines that generat electricity and the material like silicon, electronic apparatus most of it also comes from earth like wires and poles tht made up of metals...

from that electricity computer also inginites ... so electricity is the closing understanding ... but for sure only God knows what is it...

SO which of the MIRACLES/MARVELS of your Lord you will deny

I dnt know what generations of computer you are reffering here when I was the student of computing in my late teenage .. the generations of computer get advance from time to time and the computer what we have today a digital computer that is also being used by American navy back in 1938..

the mobile phones of today are also the co-mixture of modern computer with modern telephone....

so if we have to calculate the prophecy of telephone we will not take it from the discovery of mobile but we will point it out to the discovery of graham bell first telephonic device...

SO which of the MIRACLES/MARVELS of your Lord you will deny

Salaam/Peace Bender,

It is already perfectly in "past tense," in QURAN's Arabic Text here =**12/1-2**,
--word for word-- therein thus:

=====

82- And when the "**Predictive-Utterance**" (=in Arabic: "**Al-Qawlu**")
came-true upon them (=in Arabic: **waqaa alayhim**)

We (thereafter also) **brought out for them** (=in Arabic: **akhrajna lahum**) a "**moving-creature**" from the "earth"
(=in Arabic: "**dabbatan**" min **al"ard"**), which would **deliver-Words** (=in Arabic: **tuKallimu**) to them:

"(Alas), the people have been, regarding Our --("19" coded)-- **Signs** --(here =**74/26-30, 31**)--
not attaining-certainty!"

QURAN TESTAMENT **27/82**

=====

Because our LORD **AL-LAH** is totally and absolutely **Above** and **Beyond** our whole "Time-Space" dimension here (=70/4),

thus **HE** has **already** Seen, from **Above**, and clearly Witnessed **all** whatever will happen in the Future of/in our whole Universe here (**20/110 = 31/34**), from the very Beginning.

So I believe, due to this Awesome Fact above, **HE** has clearly and unmistakably foretold us in QURAN TESTAMENT --(*thus at least, from 14 centuries ago for us here)--

all such Future Events --(especially, including "**the Advent of ComputerR**" in this respect, first of all, above)-- and Events that would take place towards the very End of our whole Universe here, and even in the Hereafter then,

often perfectly in "past tense" throughout the whole QURAN TESTAMENT here =**81/1-14** & **54/1-3** & **39/71-74** &), from the very Beginning.

Salaam/Peace Imran,

It is specifically described in this most essential **Verse (=27/82)** above, as:

..... a "**moving-creature**" from **the "earth"** (=in Arabic: "**dabbatan**" min **al"ard"**),

but it **does Not say** it will be an **animate/alive "moving-creature"** (=in Arabic: "**dabbatan**"),
so I believe, therefore it can perfectly be an **inanimate/non-alive "moving-creature"** (=in Arabic: "**dabbatan**"),
in this most essential **Verse** in this most Specific respect above (=27/82).

Also because this specific term in Arabic above: "**dabbatan**"
is derived from the root word: "**da-ba-ba**" which indicates: **orderly/rapid/regular "movement"**,

a similar word derived from that same root above, as: "**dabbabat**"
is used e.g. specifically to refer to "**a machine made of skins and wood used in war**" therein in the past.

from that electricity computer also inginites ... so electricity is the closing understanding ...
but for sure only God knows what is it..

"**electricity**" (=i.e. orderly/rapid/regular **movement of "electrons"**) is the main component/driving force of this

a "**moving-creature**" from **the "earth"** (=in Arabic: "**dabbatan**" min **al"ard"**),
i.e. "**computer**" made of **all "earthly"** materials therein, which would **deliver-Words** (=in Arabic: **tuKallimu**) to them:

as specifically foretold in this most essential **Verse** above (=27/82),

because most essentially due to that perfect "**movement**" (=i.e. orderly/rapid/regular flow of "**electrons**") this "**computer**" made of all "**earthly**" materials therein above

is thus able to --(in its screen and also speakers)-- **deliver-(those)-Words** above (=in Arabic: **tuKallimu**) to them:

to all Humanity in this Final Age now (=27/82), from the very Beginning.

Quote from: imrankhawaja on January 07, 2017, 10:05:05 AM

Here absolutely the "**PC**" (= "**Personal Computers**") have **exclusively** been referred to above,
because our LORD **AL-LAH** clearly tells us that we will be gathered to **HIM** "**personally/individually**" (=19/95),
first of all.

So, the "**PC**" (= "**Personal Computers**") ability --(in its screen and also speakers)-- to **deliver-(those)-Words** above
to all Humanity (=in Arabic: **tuKallimu** ... alNaas) "**personally/individually**", and also "**collectively**" then,
should be a perfect Reason to **exclusively** refer to
the introduction of **first "PC"** (= "**Personal Computers**") to the whole World in this Respect above, in the very first place.

And then also, if we absolutely pay attention to this most essential Fact, here again:

=====
quote author=LastDay3 link=topic=9604301.msg400456#msg400456 date=1483740098

*And we should certainly note that

Code "19" in QURAN TESTAMENT is specifically foretold in Chapter "74",

so this Introduction Date of the **first "PC"** (= "**Personal Computers**") to the whole World,
above, on

12 / 19 / "19" "74"

is thus absolutely **Remarkable** in this respect above, first of all!

And then again, **Number "19"** in QURAN TESTAMENT is specifically referred to and emphasized
as --("**their Number**" = in arabic: "**Iddatahum**")-- therein in Verse "31", Chapter "74",

so this Introduction Date of the **first "PC"** (= "**Personal Computers**") to the whole World,
above, on

12 + 19 = "31" / =19 "74"

is again absolutely **Remarkable**, in this respect above, from the very beginning!

=====

So therefore, I strongly believe that we should thus **undoubtedly** and **absolutely** refer **exclusively**

Salaam/Peace to All,

finally, let us clearly see a most miraculous Prophecy of Prophet Muhammad (Peace be upon Him) with regard to this most specific

"moving-creature" from the "earth" (=in Arabic: "dabbatan" min al"ard"),

=i.e. "computer" made of all "earthly" materials therein,

which would "deliver-Words" (=in Arabic: "tuKallimu") to all Humanity, in this Final Age now,

as it is clearly foretold in QURAN TESTAMENT in this most essential **Verse** (= **27/82**) above,

---(*please, absolutely see it in the previous posts, starting from reply# 610 above)---

now here thus:

=====

Prophet Muhammad (Peace be upon Him) said:

The "moving-creature" (=i.e. that "dabbat" which is clearly foretold in this most essential **Verse** =27/82 above)-- will emerge, and with it shall be --due to/on the left side of those **"19"** coded **Tables** here now-- the seal of "Solomon," and --due to/on the right side of those **"19"** coded **Tables** here now-- the staff of "Moses!"

So, it will brighten the face of

with the **staff** (therein),

Salaam/Peace Bender,

It is already perfectly in "past tense," in QURAN's Arabic Text here =**12/1-2**,
--word for word-- therein thus:

Salaam LastDay3,

I thought "itha" is used for what comes and "ith" for what already happened, but I could be wrong.
In case you are right, I am wondering how people before 1974 read this verse.

Salaam/Peace Bender,

yes, it may be true in most cases, but not necessarily in all cases; because e.g. I can clearly see

"itha" for a future Event here =**81/1-14**,
and also for a past Event here =**62/1**,

and then

"ith" for a past Event here =**3/187**,

82- And when the **"Predictive-Utterance"** (=in Arabic: **"Al-Qawlu"**) ==> here: **"74/26-27-28-29-30, 31"**

came-true upon them (=in Arabic: **waqaa alayhim**) ---(in the year: **"1974"** therein)---

because the Code "19" is clearly foretold in Chapter "74", hence the year: **"1974"** above

We (thereafter also) **brought out for them** (=in Arabic: **akhrajna lahum**) a **"moving-creature"** from the "earth" (=in Arabic: **"dabbatan" min al"ard"**),
=i.e. **"computer"** made of all "earthly" materials therein, ---(on **December 19, "1974"** therein)---

Therefore, I strongly believe because that
this most specific **"Predictive-Utterance"** (=in Arabic: **"Al-Qawlu"**) ==> here: **"74/26-27-28-29-30, 31"**

Salaam/Peace to All,

finally, let us also clearly see a **most miraculous Prophecy** of Prophet Jesus (Peace be upon Him)

with regard to this most specific

"moving-creature" from **the "earth"** (=in Arabic: **"dabbatan"** min al"ard"),

=i.e. **"computer"** made of all **"earthly"** materials therein,

which would **"deliver-Words"** (=in Arabic: **"tuKallimu"**) to all Humanity, in this Final Age now,

as it is clearly foretold in QURAN TESTAMENT in this most essential **Verse** (=27/82) above,

---(*please, absolutely see it in the previous posts, starting from [reply#610](#) above)---

now here thus:

=====

Prophet Jesus (Peace be upon Him) said:

27- Do not work for the food that perishes, but for the food that endures for eternal Life, which the **"Son of Man"** (=i.e. a most specific reference to the long awaited and anticipated Messiah & Mahdee **"descendant"** of Prophet David and Prophet Muhammad (Peace be upon both of Them) as clearly and unmistakably been foretold in **Psalms/Zaboor 118/19-26** & **Quran, Ali Imran 81 = Ahzab 7-8--** will give to you.

For on him (=i.e. that **"Son of Man"** again above) The LORD GOD has set HIS **"Seal"** (=i.e. **number "19"**).

=====

* Prophet Jesus (PbuH) in one specific occasion **most miraculously/curiously** said to them, in such Prophetic Wisdom therein:

(Was it) not the **"10"** (who were) cleansed but/so **"9"** is where? (=Luke **17/17**)

=i.e. because thus together **"10"** + **"9"** = **"19"** was/is the **cleansed Number** (=i.e. that **"Seal"** above), by the Perfect Decree of GOD, from the very Beginning.

=====

38- And Prophet Jesus (Peace be upon Him) said: For I have come down from heaven, not to do my own will but the Will of HIM (=The LORD) Who sent me.

39- And this is the Will of HIM (=The LORD) Who sent me, that I should lose nothing of all that HE has given me, but raise it up on the **"Last Day"** (=i.e. **"Last --Third-- Millennium"** here now: **"2001"** **"3000"**).

=====

because **"1 Day"** is always deemed **"1000 Years"**, in the Sight of our Lord AL-LAH, in **Psalms/Zaboor** here =90/4 and also in **Quran Testament** here =22/47, in this most specific respect therein.

=====

40- For this is the Will of my LORD, that everyone who sees the **"Servant"** (=i.e. that **"Son of Man"** again above) and believes in him should have eternal Life, and (The LORD said):

I will raise him up on the **"Last Day"** (=i.e. **"Last --Third-- Millennium"** here again now: **"2001"** **"3000"**).

=====

* Prophet Jesus (Peace be upon Him) thus emphasizes that **"Last Day"** (=i.e. **"Last --Third-- Millennium"** =Luke 18/33) exclusively **"twice"** in this specific occasion and perfect Context above, thus also and especially to rightfully refer us to this **Magnificent Wisdom** therein:

<u>"Day"</u>	<u>"Day"</u>	<u> Last "Day"</u>		<u> Last "Day"</u>	<u>"Day"</u>	<u>"Day"</u>
1	02	03	--or/and--	03	02	1
>	>	>		<	<	<

= **19** x...

= **19** x...

*Please, absolutely note that

the first discovery with regard to **Code "19"** has been made

within that **second "Day"** (=specifically in **1974** therein),

and then it absolutely, completely and perfectly became Manifest, by the Immense Blessing of **AL-LAH**,

within this **Last --Third-- "Day"** now,

hence those **second "Day"** and finally that **Last --Third-- "Day"** can Rightfully and legitimately be placed in this most specific **exclusive** manner, for/in both sides, therein above.

.....
.....

43- Prophet Jesus (PbuH) answered them and said: Do not grumble among yourselves.

44- (Because) no one can come to me unless The LORD Who sent me draws him/her. And (The LORD said):

I will raise him up (=i.e. that **"Son of Man"** again above) on the **"Last Day"** (=i.e. within **"Last --Third-- Millennium"** here: **"2001"** **"3000"**).

45- It is written in the Prophets: **"And they (=i.e. truthful Believers) will all be taught by GOD."**

(Because) everyone who has heard and learned from The LORD --(in **QURAN TESTAMENT** in this **"Last Day"** above now)-- comes to me.

(*Because **AL-LAH** clearly and unmistakably Commands unto all truthful Believers

to absolutely believe in the **"Words"** granted by **HIM** unto Prophet Jesus (PbuH) above,

clearly and unmistakably, here =**QURAN TESTAMENT 4/158-159 = 3/84 = 5/46-47, 68-69**)

GOSPEL, John **6/27, 38-40, 43-45**

=====

So finally, in this most specific Respect, at the very beginning, above:

=====

21- And Prophet Jesus (PbuH) said to them: Is a **"Lamp"** brought in to be put under a basket, or under a bed, and not on a **"Lampstand"** (=i.e. **"Computer"** due to its perfectly **"illuminating"** property therein now).

22- For nothing is **"hidden"**
except **"to be made manifest,"**
(on that **"Computer"** again,)
--due to/on the left side

of those **"19"** coded **Tables** above now,--

and nothing is **"secret"**
except **"to come to light,"**
(on that **"Computer"** again,)
--due to/on the right side

of those **"19"** coded **Tables** above now!--

=====

*So please, absolutely see again that most specific

"moving-creature" from the "earth" (=in Arabic: **"dabbatan"** min al"ard"),

=i.e. **"Computer"** made of all **"earthly"** materials therein,

which would **"deliver-Words"** (=in Arabic: **"tuKallimu"**) in **perfect Symmetry ("19" & "19")** to all Humanity, in this Final Age now,

as it is clearly foretold in **QURAN TESTAMENT** in this most essential **Verse** (=27/82 = 74/26-30, 31) above,

---(*please, absolutely see it in the previous posts, starting from **reply#610** above)---

specifically, in this Respect again now.

=====

23- So, if anyone has --left & right-- "**ears**" to hear, let him/her **hear!**

GOSPEL, Mark **4/21-23**

=====

Remain in peace/salaam.

Salaam/Peace dear Admins-Mods,

Due to the fact that there are no numbers directly related to **Miracle "19"** here, but exclusively and only there are these **most Specific** number of "Days" (=365) and "Months" (=12) and "Days" (=30) and "Seasons" (=3) of/in a Year, throughout the whole QURAN TESTAMENT,

I have considered this Section to be most appropriate for this important Topic, in this most specific Respect, here:

"Fasting" written unto us for "1 Month," or for "7 Days," here =2/183-185

but if you do not agree, please, move it to another Section you may deem most appropriate for this important Topic above,

but if you do not deem it appropriate for no other Section at all, then please, delete it completely.
(=*Please, do not move it to **Code "19"** Section because it is not directly related to **Miracle "19"**, as I have tried to clearly emphasize above.)

Then I will absolutely try to post it, soon, in some other Forums/Platforms, inshaAL-LAH.

Thanks. May AL-LAH Bless us All. (=10/62-64)

Salaam LastDay3,

I think you meant 63:1
I understand why you think it is used there for a past event.

Salaam/Peace Bender,

I apologize for my mistake (=34/50), thank you for correcting it, because, yes, definitely I meant **63/1**.
I consider it essentially a "past Event" in this specific Context therein (=63/1-2-3),
but I also believe it may repeat in the Future and can thus refer to a "future Event" therein also. (**27/93 = 41/53**)

And also considering the Fact that every truthful Believer who rightfully recites the **Verses** of the SCRIPTURE
unto all People are also called such "**messengers**" (=in Arabic: "**rusulun**" minkum) here in this specific Context (=6/130-131),
so I believe the above Verses (=63/1-2-3) may thus also refer to "present and future Events," with regard to each and
every of those such "**messengers**" (=in Arabic: "**rusulun**" minkum) above, always, at least, in some aspects of it
therein now (**63/1-2-3 = 6/130-131**).

Quote from: Bender on January 10, 2017, 04:01:57 PM

Just a consideration for 34:51, the verse begins with "WaLaw", maybe it has something to do with that.
btw when I started to look where I can find an "ith" in 34:52-54, I did not see any.
So I started to read the verses.
When I finished reading I was wondering, is LastDay3 sending me a hidden message here, or am I just a little bit too drunk.

But I can still clearly see some other **Verses** --(specifically beginning with "**Ith**" again)-- for a "future Event" also here (=5/110, 5/116,), without "WaLaw" in the beginning of them.

Be absolutely sure, my dear friend Bender, that I never give "hidden messages," all my Messages **must be** hundred percent "**clear, open and straightforward**" always, inshaAL-LAH. (5/67 = 16/82)

You are still my perfectly sober and truly wise Friend here, your -current- avatar (=heavily drinking Man) can never make me think otherwise about you, not even a moment, not even just a little bit, at no moment, never, inshaAL-LAH.

Quote from: Bender on January 10, 2017, 04:01:57 PM

I really tried to read what you wrote here but the overdose of emphasis's/highlights/underlinings/references/etc almost killed me.

As I have said above, what I write here **must be** hundred percent "**clear, open and straightforward**" for everyone. (5/67 = 16/82)
For that reason, I spend time for all of those emphasis's/highlights/underlinings/references/etc. They are not intended to kill anyone, but to make it unmistakably clear for everyone, to give Eternal Life (=8/24) to everyone who will truly spend a little time to truly understand this Most Important Message above, in the history of Religion, in this Final Age now.

So finally, I will sincerely request from you, my dear friend Bender, as I have done previously, here again:

Quote

.....
.....
Indeed --(in my eyes)-- you are almost guilty, Bender.
Because you are asking many significant/loaded/meaningful Questions,
always using minimum number of words,
and I feel obliged to answer them in a most clear, understandable and manifest manner, as best as I can,
because I believe if I do not do this (=balaag mubeen = clear/manifest delivery) then I would absolutely be guilty
in the Eyes of **AL-LAH** (=5/67 & 7/6-7 & 16/82 &).

So please, do me a favor, and do not ask any more questions, for now,
because I have to go back and do this now (=73/1-10), and also I may have to reply, urgently,
in some other Sections here as well.

We may continue, as much/long as you wish, soon, insha**AL-LAH**.

Remain in peace/salaam.
