The ISS occupied since <November 2, 2000> perfectly Foretold here! =36/41

Salaam/Peace to all brothers and sisters,

here we shall clearly witness one of the **greatest historic Event/Achievement**, in the whole history of Humankind, that has Remarkably taken place in our Final Age now, in this most specific respect here, now here thus:

=====

53- So, We will show them Our **Signs (=Ayatina)** ---(which are specifically **"19"** coded here =74/26-30, 31)---

in the horizons (=i.e. thus also and especially, in that **greatest historic Event/Achievement** that has Remarkably taken place (on **"November 2, 2000"**, in this most specific respect now here =QURAN TESTAMENT 36/41)---

and also within their own selves/souls,

until it becomes perfectly clear to them that this is absolutely **The Truth**.

Is it not Enough that your **LORD** is **Witness** over all things.

QURAN TESTAMENT **41/53**

=====

* Please, absolutely note that this most specific term: **"Our Signs (=Ayatina)"** above is directly related to the **"Reminder"** (= **"Dhikra"**) herein, first of all (= **6/"68"**), and **"19"** coded, **"SYMMETRICAL MIRACLES"** of/in QURAN TESTAMENT is that **"Reminder"** (= **"Dhikra"**) here (= **74/26-30, "31"**), from the very beginning!

So here is this most essential and exclusive Verse in which this **greatest historic Event/Achievement**, in this respect, in the whole history of Humankind, above

has thus clearly been Foretold by our LORD **AL-LAH**, now here:

=====

41- And a **"Sign"** for them is that **We** have carried their (=i.e. Humankind's) "offspring" (=in Arabic: "dhurriyatahum") in the **loaded "Orbiter"** (=in Arabic: **"AlFulk almashhoon!"**) =i.e. a most specific reference to **"International Space Station"** which **"Orbits"** our Planet **"loaded"** with all kinds of technological devices, and also all kinds of utensils and food etc. for Human

consumption therein).

*In Arabic: "**Falak**" means "**Orbit**" and in this connection, in the preceding Verse above (=36/40), it is specifically emphasized that **Sun** and **Moon** are floating in their own "**Orbit**" (= "**Falak**"), first of all, thereby the loaded "**Orbiter**" (= "**Fulk**") emphasized in this above Verse (=36/41) is thus clearly referring to some heavenly "**Orbiter**" (= "**Fulk**") which would constantly "**Orbit**" around our Planet like those **Sun** and **Moon** are constantly "**Orbiting**" around the Center of our galaxy and around our Planet, respectively above, as in the preceding Verse (=36/40), in this respect, in the first place.

The "**International Space Station**" is a large spacecraft in **orbit** around Earth. (*please, first of all, clearly see it in the above link.) It serves as a home where crews of astronauts and cosmonauts live. It is also a unique science laboratory. Several nations worked together to build and use the "**Space Station**". It **orbits** Earth at an average altitude of 220 miles. It travels at 17,500 mph. This means it **orbits** Earth every 90 minutes. NASA is using the "**International Space Station**" to learn more about living and working in space.

.....
More pieces were added over the next two years before the "**Station**" was ready for People to live there. The first crew arrived on "**November 2, 2000.**" People have lived on the "**Space Station**" **ever since.**

.....
The "**International Space Station**" has the volume of a five-bedroom house or two Boeing 747 jetliners. It is able to support a crew of six People, plus Visitors.

.....
The "**International Space Station**" has made it possible for People to have an ongoing presence in space. Human beings have been living in space every day **since** the **first Crew** arrived on "**November 2, 2000.**"

*We should certainly note that in this well-known/specific Country (of NASA, together with ROSCOSMOS, and then also European-SA, Canadian-SA, and Japan-AEA Space Agencies)-- above, wherein this **greatest historic Event/Achievement** have thus clearly been witnessed, instantaneously, therein above,

https://www.nasa.gov/mission_pages/station/expeditions/expedition01/index.html

it is thus officially always stated --in this **specific order**-- as:

First Crew Arrived at the "International Space Station" on:

November 2, 2000 = "**11 / 2 / 2000**"
at "**9.21**" UTC (=Universal Coordinated Time)
or/and
at "**3.21**" CST (=Central Standard Time)

thereby, we will rightfully take it into Account always perfectly in this "**specific order**" = "**Month / Day / Year**" above.

*Please, absolutely note that because that in this above Verse (=36/41) it is specifically emphasized:

=====

And a **Sign** for them is that We have **carried** their (=i.e. Humankind's) "offspring" in the **loaded "Orbiter"** (=i.e. **"International Space Station"**)
=====

therefore we have thus rightfully taken into Account the exact **"Date"** and **"Hour"** when this **first Crew** successfully **arrived** at the **"International Space Station"** above, and thus the Humankind's "offspring" (=in Arabic: "dhurriyatahum") being **carried** by our LORD **AL-LAH** constantly therein has **Perfectly come true** therein (=36/41), from **"that very moment"** therein.

So now let us see all of those **most Powerful and clear Evidences** which will unmistakably show us that our LORD **AL-LAH** has thus Clearly and Perfectly foretold in this **most essential and exclusive Verse**, from the very Beginning, in QURAN TESTAMENT above (=36/41),

exclusively, this **greatest historic Event/Achievement**, in this respect, above, that has Remarkably taken place on

this **most specific "Date"** and **precise "Time"** above,

"Most AWESOMELY" & **"Most WONDROUSLY"** now here thus:

--continues in the next post--

*First of all, let us clearly see here this most Essential and exclusive **"Chapter/Verse" No.** (=36/41), in QURAN TESTAMENT, in this most specific respect, above, now here again, openly and clearly, thus:

Chapter No. 36 / Verse No. 41

**41- Wa "Ayatun" lahum: Anna Hamalna dhurriyyatahum
fiy "AlFulki almashhoon."**

وعاىة لهم انا حملنا ذرىتهم

**41- And a "Sign" for them: We have Carried their offspring
in the "loaded Orbiter."**

total **Number** of (Arabic) "**Letters**" above:

= **37**

total **Gematrixal Value** of those "**Letters**" above:

= **2720**

*Please, certainly note that we have rightfully taken this unique letter (=ة) into account, exclusively as "**two**" letters (ت & ه), and their Gematrixal Values: (**400 & 5**) respectively, above, because it is such a **unique (compound) letter** of/in Arabic alphabet which essentially consists of those "**two**" letters (ت & ه), in its essence, from the very beginning.

*And we can clearly see all "**Gematrixal Values**" of each and every (Arabic) **Letter** here: https://en.wikipedia.org/wiki/Abjad_numerals#Letter_values

And thereafter, similarly, we have thus rightfully taken into account the **number of "Letters"** (=37) for/in the first Case above, (*we can legitimately do that by counting this unique compound letter (=ḍ) essentially as --separate-- "**two**" letters (ت & ه) here; as we have previously seen it above)

thereby they are also perfectly placed in exact opposite direction therein above:

in such a perfectly parallel and absolutely Complementary manner, in this most specific respect, for/in both Cases, above,

by this most Wise and perfect Decree of our One and Only LORD AL-LAH here again (**28/68-70 = 72/28 = 78/29 = 74/30**), from the very beginning.

So finally, we can thus clearly and unmistakably see that our LORD AL-LAH has thus Absolutely and Perfectly foretold in this most essential and exclusive Verse, from the very Beginning, in QURAN TESTAMENT above (=36/41), also

exclusively, this **greatest historic Event/Achievement**, in this respect, above, that has Remarkably taken place on

this most specific "Date" and precise "Time" above,

even from the very Beginning, in such a **"Most AWESOME"** & **"Most MIRACULOUS"** Perfect Manner, in QURAN TESTAMENT above:

41- And a **"Sign"** for them is that **We** have carried their (=i.e. Humankind's) "offspring" (=in Arabic: "dhurriyatahum") in the **"loaded Orbiter"** (=in Arabic: **"AlFulk almashhoon"**) =i.e. a most specific reference to **"International Space Station"** which **"Orbits"** our Planet **"loaded"** with all kinds of technological devices, and also all kinds of utensils and food etc. for Human consumption therein).

--(as we have clearly and unmistakably witnessed **"It"** Most AWESOMELY & Most WONDROUSLY, on our **"19"** coded Tables above, in this Final Age now.)

42- And **We** have (also) **created** for them --(many other space vehicles)-- which are (in essence) similar-of-it (=i.e. all kinds of other **"moving/orbiting"** spacecrafts, shuttles, carriers therein, etc.)-- that they are riding on.

(*In QURAN TESTAMENT, whatever human-beings have perfectly **manufactured/assembled/constructed** here are essentially **created** by our LORD AL-LAH,

because HE has granted that **ability/power/capacity** unto human-beings to do those things here,
in the first place =**8/17** & **21/80** &

43- And if We will, We could **suffocate them**, and (then) there wouldn't be (even) any screaming
(coming out) of them, and they would not be saved.

*this specific term: **suffocate them** (=in Arabic: **nughriqhum**) above has been used in QURAN TESTAMENT
specifically to refer to "**suffocation under water**" (=e.g. please, see it here: **2/50**, ...),
or/and to "**suffocation on earth**", due to being deprived of oxygen therein (=e.g. please, see it here: **79/1**, ...),
and in the "**International Space Station**" above, both of these two Dangers have already been experienced
as such an absolute Reality, by this Clear Decree of our LORD AL-LAH, in this most specific Respect above!
We can absolutely witness it here:
<http://www.space.com/22168-why-did-spacesuit-helmet-leak-iss-astronaut-explains-video.html>

44- But as a Mercy from US --(they are saved from that "**suffocation**" above), and as a Benevolent-Provision
towards a specific-time. (=63/10-11)

45- And when it is said to **them** (=i.e. to **all Peoples**, now): Be aware of
what is in front of you (**ma bayna aydeekum**) --due to all of those "**Signs**" (= "**Ayat**") on "**the left side**"
of those "**19**" coded Tables above now: **29/47**--
and **what is at your behind** (**ma khalfakum**) --due to all of those "**Signs**" (= "**Ayat**") on "**the right side**"
of those "**19**" coded Tables above now: **29/49**-- that you may **attain-Mercy** (here and forever =6/54)!

46- But (no matter) what "**Sign**" ---(as that **Awesome "loaded Orbiter"** (=in Arabic: "**AlFulk almashhoon**")
as clearly emphasized at the very beginning above: **36/41**)---
comes to them from the --("**19**" coded)-- "**Signs**" of their LORD --(here: **74/26-30**),
they (still) turn away from it! (=41/53-54)

47- And when it is said to them: Give Alms --(thus especially unto such truthful Believers who dedicated themselves
in the Cause of AL-LAH here: **2/271-274**)-- from what AL-LAH has provisioned you.

Those who reject say to those who believe: Shall we feed those whom AL-LAH could feed, if HE so Willed?
(And they say:) You are really far astray! (=6/115-117 & 83/29-34)

48- And they say: When is this "**Promise**" --(thus especially, of this anticipated "**Smoke**" and those
dreadful "**Heavenly Requitals**" thereafter, here in this case: **44/10-16** in this Final Age now)-- to come,
if you are truthful?

49- They are not waiting but for a single "**Blast**" that will overwhelm them --(at that time), when/if they
(still) hostilely-argue-in-vain (against it).

50- And --because of their such hostile, ignorant and arrogant rejection =**22/72** of all of those "**Signs**" (= "**Ayat**")
on "**the left side**" of those "**19**" coded Tables above now: **29/47**-- they **will not even be able to achieve**
(**la yastateeoona**) to leave a will, and --because of their such hostile, ignorant and arrogant rejection =**22/72**
of all of those "**Signs**" (= "**Ayat**") on "**the right side**" of those "**19**" coded Tables above now: **29/49**--
they **will not be able to return** (**la .. yarjioona**) to their people --(at that time above: =**44/10-16**)!

51- And --(at that time, at the very moment of their death therein: **16/28-29**)-- the horn will be blown, whereupon
they will (instantly) rise --(in a parallel Universe, within their new "**bodies**" therein which will be exactly same/similar
even to their "**fingertips**" here: **75/1-4**)-- from the sleeping-places rushing towards their LORD (therein).

52- They will say: Woe to us! Who has awakened us from our resting-places?

This is what The Gracious (AL-LAH) had promised; and the Messengers were truthful!

(=16/28-29 X 32)

53- It has been but a single "Blast", whereupon they are (thus instantly) summoned before US.

54- On this Day, no Soul will be wronged in the least (=21/47); and you will be recompensed precisely for whatever you have been working for (here =41/40)!

QURAN TESTAMENT 36/41-42-43- -53-54

* Please, absolutely note that those "Signs" (= "Ayat") due to/on "the left side" above (=29/47), and those "Signs" (= "Ayat") due to/on "the right side" above (=29/49), are thus directly related to the "Reminder" (= "Dhikra") therein, first of all (=29/47 = 29/49 = 29/"51"),

and "**19**" coded, "SYMMETRICAL MIRACLES" of/in QURAN TESTAMENT is that "Reminder" (= "Dhikra") here again (=74/26-30, "31"), from the very beginning!

Remain in peace/salaam.

and those who **verified-it-as-TRUE**,
they are **the Righteous**. =39/33,
